STEINHATCHEE SCHOOL
A TITLE ONE SCHOOL

JIMMY BRAY, PRINCIPAL

ABOUT OUR PRINCIPAL

Principal Jimmy Bray is entering his third year as principal of Steinhatchee School. He has experience as an educator in multiple school districts. Jimmy and his family are residents of Steinhatchee, where he completed his teaching internship over 20 years ago. Jimmy was a teacher as well as coach in Lafayette County. At RRMS in Dixie County he transitioned from the classroom to assistant principal. Jimmy returned home to Steinhatchee School in 2018 and taught math to fourth and fifth grade students as part of the largest turnaround of a school in the state. Last year he completed the Principal Leadership Academy through the Northeast Florida Education Consortium (NEFEC). He is eager to build upon the successes of the Stingray Family as they accept the challenge of sustaining the achievements of the hardworking students and staff at Steinhatchee School.
