How can I purchase a yearbook?

Middle and high school yearbooks can be purchased online or in Ms. Hawkins' room. Elementary yearbooks should be purchased online only.

It is preferred that the yearbooks be purchased online to avoid any lost orders between buildings. If you want to order an elementary yearbook but do not want to order online, please contact Ms. Hawkins.

The high school and middle school yearbooks are distributed on the Wednesday before seniors graduate. Elementary yearbooks are distributed on the Wednesday prior.

The general policy is that no one gets their yearbook until the distribution date to maintain the integrity of the yearbook. If you are not able to attend distribution, your yearbook will either be left for you in the office or mailed if you have moved districts.

Is there a lost/stolen yearbook policy?

Yes. The Wadena-Deer Creek Yearbook is not responsible for yearbooks once they are the property of students. Any student whose yearbook is lost or stolen must pay in full for a new yearbook. If a yearbook which has been personalized is lost or stolen, the personalization cannot be re-created as it is not possible to have books personalized after the book's shipping date.
