## HOME OF THE SILVER STREAK

### MESSAGE BY ADMINISTRATION

Happy New Year to our Silver Streak Families,

We are so excited to be back for the second half of the year. We are very proud of our students, staff, and the support of families as we continue to show progress on our state assessments. We are also so thankful for our students being involved with our after school activities and having the opportunity to showcase their talents. Mrs. Coffman and her dancers amazed us with their performance with Memories with Santa and our cheerleaders showcased their school spirit at the Night of Cheer! We appreciate the efforts of all of our students that put forth effort in the second quarter and we look forward to their recognition at our Silver Streak celebration.

We want to congratulate our Spelling Bee champion, Nia Kelly, for her award winning performance. We also want to recognize the efforts of numerous students that made it to our second quarter Accelerated Reader (AR) party, and we will be kicking off our parent workshops this semester! Our fifth grade families will also have the opportunity to hear from middle schools and complete applications for the schools they are interested in attending for the 2025-2026 school year. The staff is looking forward to celebrating literacy week as we "Building Literacy: Constructing the Foundation for Success" during the last week of January. Please encourage your child to continue to read each day for 30 minutes and take AR tests as we move towards our third nine week AR celebration.

As an essential member of your child's learning community, you play an important role at helping them take their learning deeper. Here are five simple ways you can support your child's learning at home. Whether it is the more formal learning connected to their schooling, or the incidental, unplanned learning through play, exploration and life experience, these five strategies will help you, help your child become lifelong learners.

We are very proud of the two way communication our teachers have with their families. This communication is vital to meet the individual needs of your child. We encourage everyone to set up a conference with your child's teacher if you have not done so. This support helps the educational journey.

Please stay connected with everything that is happening at Janie Howard Wilson by following us on Facebook, Instagram, and DOJO, and our website. As always, your feedback continues to help us get better and we welcome your ideas, thoughts, and perspectives as we continue to get better together.

Looking forward to the 2025 year!

**BOOK FAIR**

Dear Families,

Get ready—the Scholastic Book Fair is coming to our school! This is a great opportunity to connect with your child over the thrill of bringing home new books to dive into again and again. Studies show that kids read more when they choose books for themselves. A love of independent reading boosts academic success, plus children who read more frequently also report improved mental health<sup>1</sup>.

Here's everything you need to know about the Book Fair:

Dates: **January 27- 31, 2025**

Location: **Media Center**

There's even more info on our school's Book Fair homepage:

**<https://www.scholastic.com/bf/janiehwilsonelemschool>**

While you're there, set up a Book Fair eWallet, the digital payment account that allows your child to shop for books at the Fair without cash. Then share your eWallet link so friends and extended family can add funds.

When you fund an eWallet, you'll have the opportunity to contribute to a giving initiative called Share the Fair™. Your contributions directly support our students who need help buying books from the Fair.

Many of us still remember the rush of finding the perfect book at a Scholastic Book Fair. I hope you'll join your child at our school's Fair and share a reading experience they'll remember forever.

Happy reading,

**Kim Griffiths**
