Carol Williams

I feel honored at being chosen STAR Student representing Central High School. To me it means a lot to think that I was chosen on the basis of academic achievement. This achievement is a direct result of my education at Central.

One of the main components of my education at Central has been supplied by Mrs. Carol Williams, my choice as STAR Teacher. Mrs. Williams has not only provided classroom instruction, but also the aspect of friendship outside of class time. Her sense of humor and overall attitude has made my choice of STAR Teacher more meaningful.

— Van Sorrells

After teaching for eleven years, I realized that being selected by Van as STAR Teacher has been one of my most rewarding experiences at Central. This recognition has brought me a great feeling of satisfaction, as well as happiness. I always appreciated Van for the excellent work he did in my English class, and I feel this appreciation has been reciprocated by Van. I know that Van's future at Georgia Tech will be successful and rewarding, and I want to thank Van for this honor.

# The Senior Class Of 1984 Dedicates This Edition Of The Leonine to Mr. Frank Ledbetter

A TRIBUTE  
TO: GEORGE FRANK LEDBETTER

Central High School has had a devoted and faithful friend to faculty and students alike since Mr. Frank Ledbetter walked through the doors on the school's opening day, twenty-five years ago.

His inspiring presence and unselfish contributions are reflected in the numerous way he has served Central High School. To name a few: For thirteen years he was the Yearbook advisor, a senior homeroom teacher for fourteen years, and literary coordinator for over ten years. During the past twenty-five years he was chosen Teacher of The Year by the faculty and students in 1965 and again in 1972. He was chosen as Star Teacher by the Star Student in 1979. The Yearbook was dedicated to him in 1967, and this year of 1984. The Vica Friendship Award and Plaque were presented to him at the Vica Award banquet in March.

The privilege of his friendship and the rewards that became ours as his professional colleague we gratefully acknowledge and treasure in deep appreciation.

To borrow and paraphrase Winston Churchill's famous quote because it describes him so well: Never in the history of Central High School has one man given so much to so many for so long.

We salute you Mr. Ledbetter — Our Mr. Central High School — A man who has become a legend at Central in his own time. We shall miss you but remember with pleasure our good fortune that one such as you passed our way.

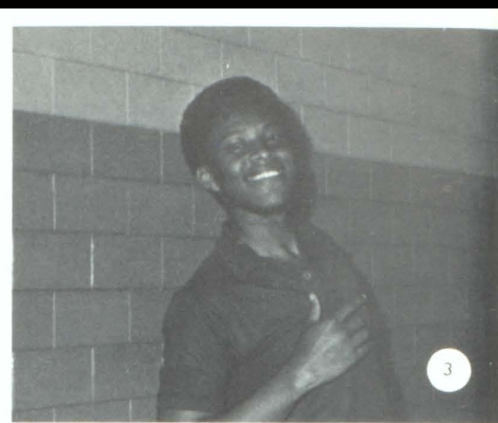

Madelon Cox

Tommy Eason has played varsity football for two years, and he was the only junior chosen to be a captain this year. Coach Burchfield feels that, "Tommy is a good leader by example. The team wanted to have someone to show them what to do, not to tell them. Tommy has a very good attitude that inspires younger members." Tommy has played football since he was in the third grade and has loved every minute of it! Tommy recalls, "I thought that beating Carrollton would be a great feeling, but it was more exciting to beat Villa Rica for the first time. You don't normally see a comeback like that every night. It showed great character in our football team."

Tommy is an active student and well-liked by the faculty and his peers. He is involved in the Key Club and C-Club.

Mylean Cheney was born in Vietnam. Her family lived there eight years before moving to America. Mylean said that the school system there was very different from that in America. She said that all students started school at the age of three and boys and girls do not attend school at the same time during the day. Mylean remembers that while she was in school during the 3rd grade the courthouse and President's house were blown-up.

Mylean likes America better, although she had to adjust to a difference in food. Her favorite foods are BQ Chicken, Hamburgers, Lasonga and Pizza. Mylean has combined her Vietnam past and American present to start a bright future.

Head Coach Ronnie Buchfield:

As I reflect back of the 1983 football season, I see the results of young men who worked hard and dedicated themselves to the task before them.

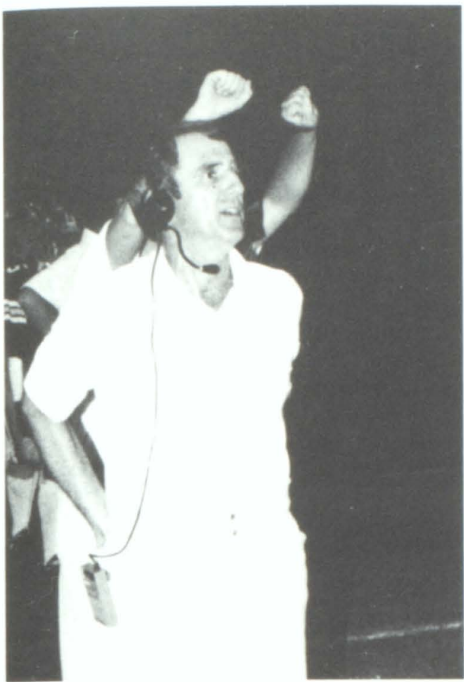

The biggest memory, outside of winning games, would be the cups of perspiration coming out of helmets in the 105 degree heat of July.

The dedication and hard work of the 1983 Lion football team led to a sub-region championship, a win over Carrollton, and the most wins in Central history. Without these proud moments, there would be no time to reflect.
