SSC Agenda

1. Welcome and introduction of members
All members stated name and role
2. CA dashboard report
Mrs. Espinoza reviewed the dashboard and explained the student groups and data for the 2021-2022 school year. Key points of discussion included: chronic absenteeism, math and ELA scores for the school as well as student groups.
SSC had the following suggestions:
 - math camp during afterschool and Saturdays
 - Math projects

ELAC Agenda

1. Welcome and introduction of members
All members stated name and role
2. CA dashboard report
Mrs. Espinoza shared the EL student progress on the dashboard and reviewed the data. Mr. Trejo highlighted on ELD professional development and discussed the differences between integrated and designated ELD. Both forms of ELD instruction are used at Oak Valley.
3. Additional items
SSC asked about resources for students who may not have access to help with

-Informing parents about the common core math practices

-Incentives for math fluency

3. Additional items

To address tardiness the SSC recommended reminding parents of the additional drop off location in the morning as the drop off lane often has a lot of traffic and can be a cause of tardiness.

projects, reading at home, or other academic activities. Are their tutoring options or resources that can be accessed to support student learning?
