- **Signage:** Janet is working on getting a new tablecloth and vinyl sign with Booster logo for Troy Days and Booster events.

Old Business:

- **Membership Drive & Booster Wall Update:** Final board is going up for the year. One board is missing and will be replaced according to Mr. Stoner.
- **Booster Board:** Researching a new Booster recognition board for gym that would be easier than the boards. Interested in a slide-in board with changeable vinyl parts.
- **Membership drive additional funding:** Kristi is working with Mr. Stoner to look at prices for football gear for earmarking for an additional funding account. There would be a new spot on the flyers to mark for extra donations to be added for certain items chosen each year.
- **Center Court Update:** Alumni who expressed interest in helping have not followed up. Getting information from Master's touch for getting a quote for the work to be done and to a person that Jo suggested that is a skilled woodworker. Lisa will reach out to Classic Wood Floors in Moscow and Master's touch.
- Hand dryers for concession stand bathrooms - Kami talked with Maude about prices and We will wait to hear from the building maintenance committee if they have already added it to their plans.
