**Open House** was last evening and it was invigorating to see so many families. I am also pleased that we gave away many books in a bag with a perfect expression for our students: I Love Books. Happy reading and here's to our continued success working together this year.

**Library News:** This week our middle grade students enjoyed a virtual author visit with James Ponti, author of the summer read, *City Spies*. Mac Barnett, author of the summer read *Mac B.*, *Kid Spy*, will be visiting the lower grades at the end of the month. Here are links to each of the author's websites where you can learn more about their books and latest releases: [Mac Barnett](#) and [James Ponti](#). Also, don't forget to look for their books in our library collection.

**Fall Photo Information:** All packages ordered from Lifetouch will arrive at the school in 2-3 weeks. Any student who had a portrait taken will receive a package. Those families that ordered will receive packages with portraits. Those families that did not order will receive a proof with a code to order online. Photo retake day will take place on Tuesday, November 2nd.

**Vaccination Clinic Today:** A COVID vaccination clinic will be held today and also on the following dates: Friday, October 1; Friday, October 15; and Friday, October 29. Each of these clinics will be held at our high school from 3:00 - 7:00 p.m. Clinics will offer all three vaccines- Pfizer, Moderna, and Johnson & Johnson- as well as booster vaccinations for eligible populations according to CDC guidelines.

**[Women's Support Community Celebration](#):** September 26th, 3-5 pm, Lakeville

**[Scout Community Carnival](#):** October 10th, 2-4 pm, on Lawrence Field

**Enjoy the weekend!**

Stay well,

Dr. Roy
