A. ESIP Energy Savings Improvement Program

This project has been in the making for over two years. Now that all of the engineering has been completed and the Grant money has been secured, the final project has been rolled out. Because this is State Regulated and the financing must be cost neutral to the District, the Board of Public Utilities requires that the anticipated savings from the ESIP must be verified by an independent third party. The independent 3rd party reviewer has approved the Paulsboro Energy Savings Plan (ESP). The ESP and all supporting materials have been submitted to the NJBPU. Frank Domin and representatives from Schneider Electric will be at the Board Meeting to answer any questions.

The Final Investment Grade Audit (IGA) report has been attached. (Attachment)

PUBLIC COMMENTS

At this time, the public addressed the Board of Education on the following topics of concern:

- Mr. Robert Davis – school ranking, absenteeism, and the increasing number of school fights.
- Ms. Jennifer Hoffman and Ms. Krista Lange –
 - Wanted to make the Board aware of a teacher who had been assaulted and spat on by a student. The student was allowed to return to school after an out of school suspension was imposed. However, they were under the impression the student would be placed in the Adult Education Program (AEP) rather than returning to school.
 - Will be conducting a climate survey that will assess safety, staff absences and school culture. They plan to share the results at the next board meeting.
 - The PEA stated that Dr. Dawson declined to meet with them, and he suggested that they meet with the principals and administrators instead.
- Mrs. Jocelyn Eli – addressed the board about threats her son received while at school. Mrs. was concerned that she did not learn about the incident until 8:30 pm that evening when her son told her. She also requested a meeting with the Superintendent. She spoke with her son’s principal and was not satisfied with his response. She felt the police should have been called regarding the threat, and wanted to know why an MOA was not issued. She inquired about next steps.
- Mr. Gerald Hodges – Expressed his dissatisfaction with the current board and the board president. He felt that the board members had some responsibilities for reducing the fighting occurring in the schools.
- Ms. Kelly Parnell –
 - Feels the issue facing the district has to do with accountability. She believes that there needs to be “real” strategic plan with specifics. She feels the plan should address the school culture and should include Social, Emotional Learning (SEL) components.
 - Wants to see policy & procedures as well as training for staff.

.MOTION TO ADJOURN

A motion was made by Mr. Haynes and seconded by Ms. Scott to adjourn the meeting.

MOTION UNANIMOUSLY PASSED

The meeting was adjourned at 9:46 pm.

RESPECTFULLY SUBMITTED,

BOARD SECRETARY
