RETIREE

MRS. CARRIE MCNUTT ENGLISH TEACHER

What's That? You're retiring!
Is it really true;
That you're closing up those English
books and leaving them for someone new?

We don't know why you want to leave us,
Just to spend your time in leisure
To putter 'round in your house and garden
and do things just for pleasure.

Heavens above! Think of all the time
That you'll have on your hands
Getting up without the snooze alarm, go
Through the day and without any specific
lesson plans

You don't even have to get dressed
And make a mad dash to Bunkie
Before eight.
And when thirty seconds passes
that hour,
There'll be no one to mark you LATE.

No make up tests, no lunch line cards
You sure you can do without these?
No quick smokes between classes
No decisions 'bout whom to please.

Hey, by golly, you've got the right idea
Don't close that door. Hold on! Wait!
We all will get our things together.
And follow you out that gate.
