Parental Opt-out for Student Directory

Dear Parent:

The North Tippah School District is considering publishing a student directory for each school with in the district. The directory will contain pictures similar to that found in a yearbook for each school as well as other information about each student in the directory.

The information published will not be any personal identification that could lead to harm coming to your child/children.

As a parent you have the right to opt-out of having your child/children placed in the directory. You may complete the attached form and return it to the school. Written confirmation is required otherwise your child/children would be included in the directory.

Sincerely,

Principal
