['A Foretaste of Heaven': Nearly 8,000 Choose to Follow Jesus During Egyptian Outreach](#)

It's been called the largest Christian event in Egypt's history as more than 17,000 attended a Gospel crusade and more than 7,800 people made a decision to put their faith in Jesus Christ. Dr. Michael Youssef's Leading The Way ministry held the evangelistic event in Cairo last month and told CBN News he is praising God for the thousands who came forward seeking hope, healing, and change.

Fire Monday Behind Power 88 Studios and offices

Scary times Monday when a fire broke out. The fire was caused by a blown transformer on the pole behind our studio building in Spanish Fort. Thanks to the local police and fire departments, no one was injured and Riviera Power Co. installed a new transformer.

[INDIA'S TIME FOR THE GOSPEL](#)

On Sunday, most roads in Hyderabad, India, lead to Calvary Temple. In 18 years, the church has grown from about 20 members to more than 300,000. Even though India has witnessed an unprecedented uptick in violence against Christians, Pastor Satish Kumar says: "The more the persecution, the more the church grows and that's what's happening in India."

[Satanic Temple sets up public display inside Iowa Capitol building: 'Very dark, evil force'](#)

[Hallmark Leans into LGBT Content, Vows More 'Inclusion' in 2024](#)

It's been Christmas since July on the Hallmark Channel, but viewers got their first taste of the network's woke holiday programming Saturday. With the debut of "Christmas on Cherry Lane," management made it abundantly clear that the "heart of TV" will continue to push the LGBT envelope - despite America's towering wave of pushback. Unlike other companies who have reckoned with the shifting consumer tides, Hallmark has no plans to change course. And their refusal to read the room could cost them

[Shock Poll: 1 in 5 Mail-in Voters Admit to Committing Fraud in 2020 Election](#)

by Dan Hart

On Tuesday, Rasmussen Reports and The Heartland Institute released the results of a new poll indicating that one in five voters who submitted a mail-in ballot during the 2020 election admit to committing fraudulent activity in violation of federal law, including filling out a ballot for a friend or family member and submitting a ballot for a state they no longer live in. The results are unnerving election integrity experts and casting further doubt on the veracity of the 2020 election results, in which numerous

irregularities were uncovered.

Highlights from Letters to Power 88

- Each morning I wake up to Power 88.5 blaring in my room. I leave it just like that until I get ready to be quiet (pray) before leaving my home for the day. That way I can still hear it in the shower and my children can wake up to the positive message that Power 88.5 thrives to provide. When I get in my car the dial is set to....you knew it....Power 88.5.
- Power 88.5 has made major impacts on my life. I have always loved music, and started listening to this station a few years back. I never knew that Christian Music was so great!
- I moved here almost 8 years ago from a city that did not have a contemporary Christian music channel. As I was moving here and found Power 88, it was a breath of fresh air, and a relief. It was like I had come back home again, and God was Blessing me.
