Oh how quickly the school year flies by! It's an exciting time of year, with only three weeks remaining. It is also a time that students think they are done for the year. WE ARE NOT YET FINISHED! 😊 Please let your child know to continue to put forth effort in their work and behavior. We want to cross the finish line strong! May's character trait is creativity: using one's imagination to create something new or solve a problem. Let's be creative in a positive way and make the last few weeks of school as amazing as ever!
