
October 2023

Mrs. Tibbals 6th Grade

Social Studies: I can identify the regions, provinces, and territories of Canada and learn about the history, people, and government of the country.

Science: Develop a model that predicts and describes the changes in particle motion, temperature, and state of a pure substance when thermal energy is added or removed.

Analyze and interpret data on the properties of substances before and after the substances interact to determine if a chemical reaction has occurred.

Reading: I can compare and contrast multiple authors' presentations of an event, and evaluate the impact of the different presentations.

I can compare two texts or more in different forms or genres and analyze their approach to similar themes and topics.

Writing: I can Informative/explanatory texts to examine a topic and convey ideas, concepts, and information.

I can improve my writing through editing with my peers or adults.

Math: I can create and apply ratio reasoning to solve real-world problems including those involving percent or conversion of measurement units.

I can solve and model a problem in story context involving multistep division with fractions and mixed numbers.

I can identify and interpret rational numbers given problems in real-world context.

Read aloud Novel: The Witches, by Roald Dahl & Things not Seen, by Andrew Clements

Important News

Nightly Reading: Each 6th grade student is required to read a book over 150 pages and complete a project each month. A list of project ideas has been sent home and given to the students to keep here at school to choose from each month. Projects are due the last day of every month.

No class time is scheduled for these projects. All work is expected to be done outside of the class day. Late work will be accepted, but for reduced credit. I check in with students every week to track their progress and provide support in planning and supplies as needed.

Conferences: Conferences are the evenings of Tuesday, October 10th & Wednesday, October 11th. Conference are in person again this year! An email was sent from Mrs. Vogt with links for you to schedule the time that works well for your family. The link to schedule is also on our website!

Halloween: We will not be celebrating Halloween here at school on Monday, Oct. 31st. Please help your student to keep all candy at home. Book Reports are due that day and we will have an opportunity to share in the joy of reading together!
