

# Coffeeville SCHOOL DISTRICT

"Excellence- From All- For All"

---

## Superintendent's Newsletter

January 2026

Dear Parents,

As we begin the second semester, we are very proud of the academic progress currently being made. State test scores received during the summer months revealed an increase in student achievement. Coffeeville Elementary earned a "B" accreditation rating for the fourth consecutive year, and Coffeeville High School earned a "B" rating for the third time during the New Accountability Model. The Coffeeville School District received its third consecutive "B" rating. With parents, students, teachers, and school administrators working together, students will continue to excel academically.

It's with utmost importance that you continue to monitor the completion of your child's homework, promote the reading of Accelerated Reader books and the use of educational technology programs designed to reinforce student learning at home. With these combined efforts in teaching, along with the students' efforts to learn, will create the equation for success. We want to express our sincere thanks to our students, principals, directors, teachers, teacher assistants, partners in education, and volunteers who work daily to help improve student achievement in the Coffeeville School District. We also thank you for the loyal support you give to our teachers and principals.

Our teachers, teacher assistants, and administrators have been working extremely hard to prepare students for success on Subject Area Exams as well as upcoming State Exams. Please encourage your scholar to do his/her very best as we work to make history in the Coffeeville School District. When parents, students, teachers, staff, and administrators work together, miracles can and will happen!

**Happy New Year!!!**

Educationally yours,

*Dexter Green*

Superintendent of Education
