What We're Learning

Over the next several weeks we will be doing lots of ACAP/Skills Practice. Please make sure if you are not sick, you are at school.

Shavers

Reading:

- Greek Mythology
- Figurative Language

ELA:

- Compound and Complex Sentences
- Possessives

**Spelling lists are on the study guide and the Unit 4 spelling list in their binders and on my webpage. Vocab is on the study guide in their binder AND on their index cards.

This Week's Shoutout:

Jackson! Thanks for always demonstrating good behavior!

Lucas

Math:

This week we will continue Topic 12-Understanding and Comparing Decimals. This topic will discuss how fractions and decimals are related. We will also compare decimals by reasoning about their size.

If there is ever a time you do not get the weird way we are doing something, please reach out! I am more than happy to meet and discuss it with you!

Science:

This week we continue Chapter 5. This chapter discusses ecosystems. We will discuss what ecosystems are and how living things affect the environment. We will also talk about fossils and what they tell us.

This Week's Shoutout:

Garvin!!! Thank you for always trying your best!
