Prattville High School Academic Recognition Form

Prattville High School publishes academic successes by recognizing “A” and “A” & “B” Honor Rolls. We would also like to recognize students that score 26 or higher on the ACT, score well on the SAT and are identified as National Merit Scholars (PSAT) and in the future we will recognize successful AP Scholars. If you agree to have your student’s academic accomplishments recognized, complete the following form and have your child submit it to the Main Office. All scores posted must be officially documented by school personnel.
