

April's Hive Newsletter

What's Happening This Month....

April is finally here!! April and May can both be very busy months for us here at LES. This is the month that ILEARN testing begins for our 3rd through 6th graders. ILEARN takes up quite a bit of time and requires a lot of concentration on our students part. We encourage our parents to remind their students to get a good night's sleep and remember to eat breakfast in the mornings. Also, parents are more than welcome to send notes of encouragement with their students. These notes can help give students that extra reassurance they may need.

Starlab is back from March 31st to April 9th this year. Starlab features stunning, 360-degree visual displays, it also lets you deliver fully immersive, multi-sensory learning experiences that excite and inspire all ages. This super enjoyable experience brings the stars to our students!

On April 10th and 11th we will be having our Prek and Kindergarten Round Up. April 10th will be our late night with hours from 12pm to 7pm. Then April 11th's hours are 8am to 3pm, please remember to come register your student for the 2025-2026 school year!

The Easter Bunny will also be visiting LES!! Peter Cottontail is hopping his way down to Laurel Elementary. We will be having breakfast with the Easter Bunny on April 12th, this event is being hosted by our PTO and everyone is invited to attend. Breakfast will cost \$3 per person and includes eggs, pancakes, and milk. Pictures and crafts are also available.

We will also be having a school wide Easter Candy Walk for our students on April 17th during the school day.

April 16th is our Spring Music Concert, our littles in PreK, Kindergarten, First, Second, and Third grades will be putting on this concert, the theme is "A Day in the Country".

Our PreK and Kindergarten students will be getting their graduation pictures taken on April 23rd, not much longer before they graduate!!!

The annual LES Library Quarter Auction will be April 25th. We hope you have been saving that change lol. Mrs. Frondorf's quarter auction makes for a night full of fun for both adults and students.

Last but definitely not least, May 2nd is our annual school carnival!!! Prepare for lots of fun and games. Raffle ticket information will be coming home with students when we return from Spring Break, so be on the lookout for these papers. We already have an impressive list of prizes, these include, a 58" Roku Smart Tv, Nintendo Switch Lite, Electric Scooter, a 28" Black Stone Grill, and so much more!

meet our school therapy dogs

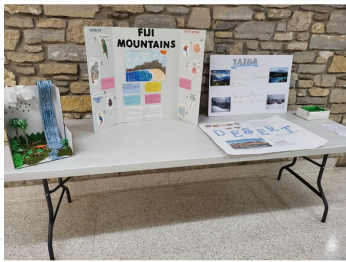

Girls on the Run

Girls on the Run practices continue this month. Practices will be held every Tuesday and Thursday after school until 4:10pm.

Projects

Our 4th and 6th grades have been working on different projects. The 4th grade have been working on their Native American Villages. The 6th graders in Mrs. Ball's class have been working on learning about the 7 different types of biomes.

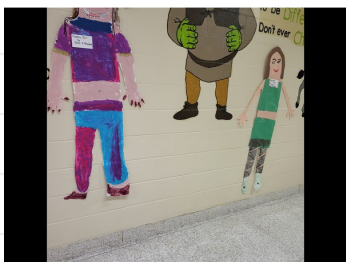

Library News

Laurel Elementary School Library's Quarter Auction is Friday, April 25th, 2025. Doors open at 5:30pm and the auctioning begins at 6:15pm.

Art News

Our students have been very busy in art class. From making fairytale castles, dragons, and dragon eggs to making the hallway look like spring, they have done an amazing job!
