

Dear Itawamba County,

We would like to announce an opening for a **Behavior Specialist** on the student support team. We are seeking a dedicated and skilled professional to join our team in supporting students' behavioral, emotional, and academic success through collaborative, data-driven approaches.

Position: Behavior Specialist

Key Responsibilities Include:

- Conduct functional behavior assessments (FBAs) and develop behavior intervention plans (BIPs)
- Collaborate with teachers, parents, and support staff to implement effective interventions
- Provide training and consultation to staff on behavior management strategies
- Monitor student progress and adjust interventions based on data
- Support the implementation of 504 and IEP behavioral accommodations

Qualifications:

- Bachelor's degree (required); Master's degree in behavior analysis, psychology, special education, or related field (preferred); or MDE Licensure (Endorsements 221, 223/224, 206)
- Experience in school-based behavioral support or applied behavior analysis (ABA)
- Strong understanding of PBIS, MTSS, and behavior support frameworks
- BCBA certification (not required)

Terms of Employment:

- Number of days: 200
- Teacher Pay Scale

We appreciate your help in sharing this opportunity with qualified candidates or networks. Thank you for supporting our mission to foster a positive and inclusive learning environment for all students.

Best regards,
Delisha Patterson
