

#### 0143.1 - RESIDENCE AREAS

As provided by law, the School Board may make any changes it deems necessary in the boundaries of any Board member residence area in odd-numbered years, provided that such a change shall not disqualify an incumbent member during his/her elected term.

Each elected candidate for the Board member must, by the date the candidate assumes office, be a resident of the Board member residence area from which the candidate was elected and shall reside through the member's term of office in the residency area in which election occurred.

Each qualified elector of the District is entitled to vote for one (1) candidate from each Board member residence area.
