Miss Smith's 3rd grade class published a book! Throughout the year, Miss Smith has been reading the Third Grade Detective's book series aloud to the class. The students love this book series so much that they wanted to write their own version. Throughout this project, they learned how to edit, illustrate, and create their own classbook. This has been a very fun learning experience for them. Their book turned out amazing!

## Name That Book Competition

**Winners were:**  
Alyse Frank  
Derrett Erwin  
Braelynn Doms
