## SECTION 1 PURPOSE AND PROCEDURES

The Furlow Charter School Nutrition Program, hereafter referred to as SFA, is issuing this Invitation for Bid (IFB) for the School Nutrition Program (SNP) and is requesting sealed bids for fresh produce.

### INTENT

- a) It shall be the intent and purpose of this Invitation for Bid (IFB) to cover the terms and conditions under which a successful Bidder shall be responsible to supply and deliver products to the SFA, through sealed bids.
- b) School food authorities shall comply with the requirements of 7CFR 210.21 and 2 CFR part 200, subpart D and USDA implementing regulations 2 CFR part 400 and part 415, as applicable, which implement the applicable requirements, concerning the procurement of all goods and services with nonprofit school food service account funds. All procurement transactions must be conducted in a manner providing full and open competition consistent with the standards of this section. In order to ensure objective vendor performance and eliminate unfair competitive advantage, suppliers that develop or draft specifications, requirements, statement of work, or Invitation for Bids, must be excluded from competing for such procurements. (2 CFR 200.319)
- c) Any changes to the terms or conditions of this Contract, which are required by Federal or State law or rule, or changes to Federal or State laws, rules, or citations are automatically incorporated herein, effective as of the date specified in such law, rule and/or USDA Memo.
- d) The SFA is seeking to identify and select one (1) or more vendors to provide the items as listed in the attached list in *Attachment B*. The selected vendor(s) shall provide products in accordance with the Standard Terms and Conditions, Special Terms and Conditions, the IFB and any applicable Addenda.
- e) The SFA reserves the right to accept or reject any or all bids, or to accept any part of a bid without accepting the whole thereof, or to accept such bid as they deem to be in the best interest of the SFA without restricting competition

The Bidder should raise any questions it may have about the solicitation or the procurement at that time. A Bidder may not rely on any verbal responses to questions at the meeting. Material issues raised at the meeting that result in changes to the solicitation shall be answered solely through a solicitation addendum.

### V. ADDITIONAL BID INSTRUCTIONS

- Bid modifications:** Bids cannot be modified after receipt of bids. Care should be taken to ensure that the information provided is accurate, complete, and consistent. - Bid withdrawal:** Bidders may withdraw bids at any time up to the scheduled time for receipt of bids. Bidders desiring to withdraw their bid must submit the purpose for withdrawal in writing to the School Nutrition SFA before the bid opening deadline (bid close date). Bidders may resubmit bids provided it is prior to the scheduled time for receipt of bids.
- Bid examination:**
  - Bidders shall carefully examine all documents in the solicitation to obtain knowledge of existing conditions, limitations, and requirements. Failure to examine the documents will not relieve the Bidder of responsibility for

same nor will extra payment or change order requests be considered for conditions which could have been determined by examining the solicitation.

- ii) Bids will be considered as conclusive evidence of complete examination and understanding of the terms and conditions of the bid documents including the specifications and all requirements thereof of the IFB.

It is understood that submission of a bid indicates full acceptance of the same by the parties submitting the bid. Furthermore, by submitting a bid the Bidder waives the right to claims for additional time or monetary compensation for all work without limit required to complete the contract which could have been obtained by the Bidder through examination of all documents or raising a question regarding requirements prior to submitting a bid.

**d) Rejection or Disqualification of bids**

- i) A bid that is incomplete, obscure, conditioned or contains additions not called for or irregularities of any kind, (including alterations or erasures), which are not initialed and dated, may be rejected as non-conforming.
- ii) The SFA reserves the right to waive a bid's minor irregularities if rectified by Bidder within three business days of the School Nutrition Program's issuance of a written notice of such irregularities.
- iii) The SFA reserves the right to disqualify bids upon evidence of collusion with intent to defraud or other illegal practices upon the part of the Bidder.
- iv) Issuance of this IFB in no way constitutes a commitment by the SFA to award a contract. The SFA reserves the right to accept or reject, in whole or part, all bids submitted and/or to cancel this solicitation if it is determined to be in the best interest of the SFA.
- v) Any Bidder who has demonstrated and documented poor performance during a current or previous agreement, within the last 3 years, with the School Nutrition Program may be considered a non-responsible Bidder and their bid may be rejected. The SFA reserves the right to exercise this option as is deemed proper and/or necessary.

- e) **Evidence of Financial Capabilities (not required: best practice):** After the bid opening, Bidders must be prepared to present suitable evidence of their financial standing within three (3) business days after written request by the SFA. This evidence would include an income statement, balance sheet and statement of cash flow accompanied by an auditor's report attesting to the accuracy of the financial statements.

**SECTION 2**  
**STANDARD TERMS AND CONDITIONS**

*The signed and dated contract between the SFA and the Vendor shall be governed in accordance with the laws of the State of Georgia and all applicable Federal regulations.*

**I. LOBBYING CERTIFICATE** (for bids over \$100k)

A Lobbying Certification and Disclosure must be completed for all bids \$100,000 and over. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352): Vendors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. See and complete *Attachment D*.

**II. DEBARMENT AND SUSPENSION VERIFICATION** (for bids over \$25k)

Institutions shall solicit offers from, award contracts to, and consent to subcontracts with responsible vendors and/or principals only. The serious nature of debarment and suspension requires that sanctions be imposed only in the public interest for the Government's protection and not for purposes of punishment. Institutions shall impose debarment or suspension to protect the Government's interest and only for the causes and in accordance with the procedures set forth in 2 CFR 200.213.

The Vendor certifies that the Vendor and/or any of its sub vendors or principals have not been debarred, suspended, or declared ineligible by any agency of the State of Georgia or any agency of the Federal government or as defined in the 2 CFR 200.213 which states "Non-federal entities are subject to the non-procurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, 2 CFR part 180.

These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities." The Vendor will immediately notify the School Food Authority if Vendor is debarred or placed on the Consolidated List of Debarred, Suspended, and Ineligible Vendors by a federal entity.

By signing this agreement, the Vendor is testifying that they are not debarred, suspended, or has any ineligible or voluntary exclusions with the U.S. Department of Agriculture or any other Federal or State Agency.

All responses will be verified. Debarment and Suspension (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. See *Attachment E*

**III. BUY AMERICAN STATEMENT (Food only) (7 CFR Part 210.21(d))**

Vendor must comply with the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Buy American Act: 7 CFR 210.21(d)) which requires schools and institutions participating in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) in the contiguous United States to purchase, to the maximum extent practicable, domestic commodities or products for use in meals served under the NSLP and SBP.

Buy American:

Definition of domestic commodity or product. The term 'domestic commodity or product' means:

- (i) An agricultural commodity that is produced in the United States; and

- (ii) A food product that is processed in the United States substantially using agricultural commodities that are produced in the United States. Substantial means over 51% of the final processed product consists of agricultural commodities that were grown domestically. Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

The Buy American provision (7 CFR Part 210.21(d)) is one of the procurement standards SFAs must comply with when purchasing commercial food products served in the school meals programs. Exceptions to the Buy American provision are very limited; however, an alternative or exception may be approved by the SFA upon request. To be considered for an alternative or exception, the request must be submitted in writing to the SFA, a minimum of 7 days in advance of delivery. The request must include:

- (1) Alternative substitute(s) that are domestic and meet the required specifications:
  - (a) Price of the domestic food alternative substitute(s); and
  - (b) Availability of the domestic alternative substitute(s) in relation to the quantity ordered.
- (2) Reason for exception: limited/lack of availability or price (include price):
  - (a) Price of the domestic food product; and
  - (b) Price of the non-domestic product that meets the required specification of the domestic product.

By signing this document, the vendor certifies that all domestically identified products listed within the response to the attached specifications were processed in the U.S. and contain over 51% of their agricultural food components, by weight or volume, from the U.S. Any response listing a non-domestic product will include a valid resource to verify that the non-domestic good is not produced or manufactured in sufficient and reasonable available quantities of a satisfactory quality within the U.S.

#### **DOMESTIC PREFERENCE FOR GOODS AND MATERIALS (Applicable to non-food only) 2 CFR 200.322**

As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

For purposes of this section:

- (1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
- (2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

#### **IV. REMEDY FOR NON-PERFORMANCE/ TERMINATION OF CONTRACT**

- (a) **Immediate Termination.** This contract will terminate immediately and absolutely if the SFA determines that adequate funds are not appropriated or granted or funds are de-appropriated such that the SFA cannot fulfill its obligations under the Contract, which determination is at the SFA's sole discretion and shall be conclusive. Further, the SFA may terminate the Contract for any one or more of the following reasons effective immediately without advance notice:
  - (i) In the event the Vendor is required to be certified or licensed as a condition precedent to providing goods and services, the revocation or loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect;
  - (ii) The SFA determines that the actions, or failure to act, of the Vendor, its agents, employees

or sub vendors have caused, or reasonably could cause, life, health or safety to be jeopardized;

- (iii) The Vendor fails to comply with confidentiality laws or provisions; and/or
- (iv) The Vendor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, incorrect, or incomplete.

(b) **Termination for Cause.** All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement. The occurrence of any one or more of the following events shall constitute cause for the SFA to declare the Vendor in default of its obligation under the Contract:

- (i) The Vendor fails to deliver or has delivered nonconforming goods or services or fails to perform, to the SFA's satisfaction, any material requirement of the Contract or is in violation of a material provision of Contract, including, but without limitation, the express warranties made;
- (ii) The SFA determines that satisfactory performance of the Contract is substantially endangered or that a default is likely to occur;
  - (iii) The Vendor fails to make substantial and timely progress toward performance of the Contract;
- (iv) The Vendor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Vendor terminates or suspends its business; or the SFA reasonably believes that the Vendor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
- (v) The Vendor has failed to comply with applicable federal, state, and local laws, rules, ordinances, regulations and orders when performing within the scope of the Contract;
- (vi) The Vendor has engaged in conduct that has or may expose the SFA or the State to liability, as determined in the SFA's sole discretion; or
  - (vii) The Vendor has infringed any patent, trademark, copyright, trade dress or any other intellectual property rights of the SFA, the state, or a third party.

(c) **Notice of Default.** If there is a default event caused by the Vendor, the SFA shall provide written notice to the Vendor requesting that the breach or noncompliance be remedied within the period of time specified in the SFA's written notice to the Vendor. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the SFA may:

- (i) Immediately terminate the Contract without additional written notice; and/or
- (ii) Procure substitute goods or services from another source and charge the difference between the Contract and the substitute contract to the defaulting Vendor, and/or,
- (iii) Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.

(d) **Termination upon Notice.** Following thirty (30) days' written notice, the SFA may terminate the Contract in whole or in

part without the payment of any penalty or incurring any further obligation to the Vendor. Following termination upon notice, the Vendor shall be entitled to compensation, upon submission of invoices and proper proof of claim, for goods and services

provided under the Contract to the SFA up to and including date of termination.

- (e) **Termination Due to Change in Law.** The SFA shall have the right to terminate this Contract without penalty by giving thirty (30) days' written notice to the Vendor as a result of the following:
- (i) The SFA's authorization to operate is withdrawn or there is a material alternation in the programs administered by the SFA; and/or
  - (ii) The SFA's duties are substantially modified.
- (f) **Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by the SFA, the SFA shall pay only those amounts, if any, due and owing to the Vendor for goods and services actually rendered up to and including the date of termination of the Contract and for which the SFA is obligated to pay pursuant to the Contract or Purchase Instrument. Payment will be made only upon submission of invoices and proper proof of the Vendor's claim. This provision in no way limits the remedies available to the SFA under the Contract in the event of termination. The SFA shall not be liable for any costs incurred by the Vendor in its performance of the Contract, including, but not limited to, startup costs, overhead or other costs associated with the performance of the Contract.
- (g) **The Vendor's Termination Duties.** Upon receipt of notice of termination or upon request of the SFA, the Vendor shall:
- (i) Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report within thirty (30) days of the date of notice of termination, describing the status of all work under the Contract, including, without limitation, results accomplished, conclusions resulting there from, and any other matters the SFA may require;
  - (ii) Immediately cease using and return to the SFA, any personal property or materials, whether tangible or intangible, provided by the SFA to the Vendor;
  - (iii) Comply with the SFA's instructions for the timely transfer of any active files and work product by the Vendor under the Contract;
  - (iv) Cooperate in good faith with the SFA, its employees, agents, and vendors during the transition period between the notification of termination and the substitution of any replacement vendor; and
  - (v) Immediately return to the SFA any payments made by the SFA for goods and services that were not delivered or rendered by the Vendor.

## V. HUB (Historically Underutilized Business) STATEMENT

It is the intent of the SFA to provide maximum practicable opportunities in its solicitations to minority firms, women's business enterprises, veteran-owned businesses and labor surplus area firms.

Small businesses, women and minority-owned business sources, veteran-owned businesses and labor surplus area firms will not be given unfair advantage when evaluating competitive purchases i.e., small purchases, sealed bids, proposals, or noncompetitive procurement (2 CFR 200.321).

- Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

If a Bidder submits any document with the bid that is considered to be proprietary in nature or is considered to be a trade secret, the Bidder shall notify the school district that the documents are included in the bid. The school district will honor the request unless or until a competing Bidder asks to have access to the information. In such case, the school district will notify the affected Bidder that a challenge has been made. If the affected Bidder can produce a court issued restraining order within ten calendar days subsequent to the notification, the information will remain confidential and shall not be released pending subsequent court action. If the restraining order is not received within the ten working day period, the information will be released, and the school district shall not be held liable.

#### **III. TRADE NAME, LABELS AND OTHER REQUESTS (Where applicable)**

- a) All items shall be properly labeled. No private labels will be accepted on commercial products.
- b) Nutrition data must be provided on all fresh, frozen, and canned meats, grains, combination foods, fruits, and vegetables. Subsequently, the SFA may entertain a request for escalation/de-escalation on a 3 month basis. Produce and milk prices can be submitted monthly. These price adjustments must be based on changes in market conditions and verified in accordance with the most recent publication from a valid third party.

(See examples below:

- USDA Agricultural Marketing Service (AMS) Report,
- Yearly Percentage Change in the Consumer Price Index (CPI) for All Urban Consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics,

- And/or other valid third party.)

Request for price increases and/or decreases must be submitted to the SFA 30 days prior to taking effect. The aforementioned third-party publication/documentation must accompany requested price increases.

The SFA reserves the right to accept or reject the request for a price increase and will maintain documentation of approval or denial. If price increases escalate above 10% per the awarded price of each product, the SFA reserves the right to provisionally purchase the product from another source if an equal and more reasonably priced option can be acquired, based on specifications. This clause also obligates vendor to provide price decreases from de-escalation on the same terms.

- b) The successful Bidder warrants that the bid price(s), terms, and conditions stated in the bid shall be firm through the bid process and until the time the award is made at which time prices shall remain firm and fixed for the contract period and in accordance with terms listed within the Escalation/De-escalation Clause, if applicable.
- c) All bid prices must include all charges for packing and transporting to the individual schools listed at the addresses on the attached sheet. Separate fuel charges will not be added to invoices.

Problems found with products due to concealed damage will be addressed on a case-by-case basis. Rejected product(s) must be picked up immediately.
- b) Credit: Credit or replacement will be issued for damaged or unacceptable items. All such transactions are to be worked out with each designee. Replacement of damaged or unacceptable items will be made upon a mutually agreed time and date.
- c) All orders are to be delivered Freight on Board (F.O.B) to addresses as indicated on *Attachment C*.

- e) The SFA may have an occasional opportunity to purchase a limited amount of local fresh produce and reserves the right to do so for special occasions (such as Farm to School, Harvest of the Month, and other applicable School Nutrition educational opportunities).
- f) Delivery schedules that fall on a holiday will be made the following business day unless other arrangements have been made and agreed upon by both parties.
- g) Delivery of product(s) must be made in a well-maintained refrigerated truck, if applicable. All deliveries shall be placed in the area designated by the designee. Under no circumstances may a delivery be left outside the building. Deliveries must be received as specified.
- h) Two invoices are to be provided and must be reviewed and signed at the time of delivery and if any discrepancies are noted during delivery those will be initialed and dated by the driver and school nutrition employee receiving the order.

**The Three Strikes Rule:** (if applicable and warranted)

(1) After vendor's first offense of providing sub-par quality product, late delivery and/or poor customer service, the SFA will call vendor to report contract violation. The SFA will follow-up with a written letter to the vendor documenting occurrence and putting the vendor on notice that the documented occurrence is unacceptable.

(2) After vendor's second offense of providing sub-par product, late delivery and/or poor customer service, the SFA will send a certified notice to the vendor documenting that this is the second offense, and a third offense will result in termination of the contract for cause. If the offense is providing sub-par product, then the vendor agrees to pay the School Food Authority to purchase quality product at the vendor's expense.

(3) After the vendor's third and final offense of the aforementioned, the SFA will terminate the contract for cause in writing via email and regular mail, copying the District Purchasing Compliance Officer.

**VI. EVALUATION FACTORS**

- a) Bids will be evaluated in accordance with the required specifications as listed in this IFB. At the SFA's discretion, a bid may be eliminated from consideration for failure to comply with any required specifications, depending on the nature and extent of non-compliance. In addition to meeting mandated specifications, bids will be evaluated for the ability of the Bidder to provide, in the SFA's opinion, the best overall solution to meet the SFA's specifications.
- b) The SFA reserves the right to award a single contract for the total requirement of the IFB or award multiple contracts on a group or line-item basis in any combination that best serves the interest of the SFA.

**VII. EQUIVALENT/ALTERNATE PRODUCTS**

Equivalent/alternate products must be bid on items where a brand name or equal is specified, provided the quality, grade and/or performance of the proposed meets or exceeds the specifications as indicated within the bid specifications for each item. 3. Product has been personally investigated and determined that it is equal or superior in all respects to that specified.
4. Vendor will provide the same guarantee for the equivalent/alternate item as they would for specified product indicated in the bid documents.

#### **VIII. SUBSTITUTION CLAUSE (where applicable)**

Shipments of items with brand name or specifications other than those listed on the bid shall be rejected or returned to the vendor at the vendor's expense unless prior arrangements have been made with the Director of School Nutrition.

**Substitutions may be made only with prior approval of the Director of School Nutrition.**

All substitutions must be of equal or greater quality. In no case will an item be accepted if the quality is lower than stated in the bid. Substitutions are to be priced at the same cost as the original awarded item.

#### **X. ASSIGNMENT**

The Vendor shall not assign, transfer, convey, delegate, sublet, or otherwise dispose of its agreements with the SFA, or its rights, title, or interest herein, or its power to execute such agreement, to any other person, company, or corporation without the previous consent and written approval by the SFA.

#### **XI. INDEPENDENT VENDOR AND INDEMNITY**

The Vendor shall act as an independent Vendor and not as an employee of the School Nutrition Program. Vendor agrees to indemnify and hold harmless the SFA, its elected officials, employees and agents from and against any and all liability, damages, claims, suits, liens, and judgments (including reasonable attorney's fees), of whatever nature, for injuries to or death of any person or persons, or loss of or damage to property, to the extent attributable to the negligent acts of vendor, its sub vendors or its respective agents, servants, or employees or such parties' failure to perform in accordance with the provisions of the contract resulting from this IFB.

#### **XII. TIME OF PERFORMANCE**

a) Notwithstanding any delay in the preparation and execution of the formal contract agreement, the Vendor shall be prepared, upon written notice of bid award, to commence delivery of goods pursuant to the award on "Start Date" shown on the Invitation for Bid Timeline.

b) The Vendor must comply with the time of performance.

#### **XIII. FORCE MAJEURE**

If the SFA, in its reasonable discretion, determines that the Force Majeure Event is likely to delay Vendor's performance for more than thirty (30) days, the SFA reserves the right to cancel the agreement between the parties. In that event, neither party shall have any further liability to the other, subject only to the SFA's obligation to pay the Vendor for work already completed by the Vendor and the Vendor's warranty for work already completed.

#### XIV. EVIDENCE OF INSURANCE

- a) The successful Bidder, at its expense, shall always carry and maintain in full force during the term of the contract resulting from this IFB the following insurance: [\(complete per your system's requirements\)](#)

Such a certificate shall be issued to the SFA.
- c) Said policies shall remain in full force and effect until the expiration of the terms of the contract or until completion of all duties to be performed hereunder by the Vendor, whichever shall occur later.

#### XV. EXCEPTIONS

A Bid submitted in response to this IFB constitutes a binding offer to comply with all terms, conditions, special conditions, general specifications, and requirements stated in this IFB, except to the extent that a Bidder takes exception to such provisions. To take exception to a provision of this IFB, the Bidder must clearly identify in the BID EXCEPTION FORM:

- (a) the number and title of each section of this IFB that the Bidder takes exception to;
- (b) the specific sentence within such section that the Bidder takes exception to; and
- (c) any alternate provision proposed by the Bidder.

See Attachment G

#### XVI. WARRANTY

Successful Bidder shall fully warrant all products furnished under the terms of this contract, against poor and inferior quality. Time is of the essence of this contract. While under warranty, successful Bidder shall replace any damaged or inferior product in a timely manner to minimize the disruption of the SFA's operations.

#### XVII. GIFTS AND GRATUITIES

Acceptance of gifts from vendors and the offering of gifts by vendors are prohibited. No employee of the school district purchasing products under provisions of the contract issued as a result of this invitation shall accept, solicit, or receive, either directly or indirectly, from any person, firm, or corporation any gift or gratuity.

**SAMPLES:** The SFA reserves the right to request samples of any/all items indicated on the bid schedule. Samples shall be provided within five (5) business days upon request. It will be the responsibility of the supplier to incur all costs associated with the request for samples. Each sample is to be labeled with the Bidder's name, the item number as indicated on the Quote Sheets, and the bid number. Each sample must have a minimum of five (5) servings to be evaluated. Product labels on selected samples will be kept for verification when shipments are received. Products without such information may not be considered.

**XVIII. SEVERABILITY**

The provisions of this contract are severable. Any term or condition deemed illegal or invalid shall not affect any other term or condition of the contract.

Notwithstanding any other provisions of the solicitation, the school district reserves the right to:

- Waive any immaterial defect or informality;
- Reject any and all offers or portions thereof; or
- Cancel a solicitation.

**XX. RELEASE FROM CONTRACT**

In the event the market for a product covered by this request escalates to a point that the vendor is delivering product at less than cost, the vendor may petition for release from the contract. The petition shall be supported by a third-party market bulletin. The decision to release the vendor from the contract will be based on the difference between the market at the time of the bid opening and the current market for this item.

**XXI. PIGGYBACKING CLAUSE**

The vendor agrees to allow the SFA and the following school districts (see *Attachment F* and each SFA piggybacking agreement form *Attachment F-1*) to have the same terms, cost, and conditions as this bid, during the time that this bid is in effect. SFAs may order items in quantities of one or more.

Any liability created by purchase orders issued against this agreement shall be the sole responsibility of the SFA placing the order. Prices and terms shall remain firm and in effect from the award of this bid, unless otherwise specified.

**XXII. FOOD RECALLS AND BIOSECURITY (required only for processing bids at this time)**

Selected Vendor will be expected to maintain all paperwork required for immediate and proper notification of recalls for full and split cases. Vendor will define their policy and procedures for handling food recalls on a separate document to be submitted along with bid.

All contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each vendor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours.

Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than

one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.

The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies, materials, or articles.

**XXIV. DAVIS BACON ACT** (for construction contracts in excess of \$2,000) [Appendix II to 2 CFR 200(d)] (if applicable)

In accordance with the statute, vendors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, vendors must be required

to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Vendors and Sub vendors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each vendor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

**XXV. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT** (Appendix II to 2 CFR 200(f)) (if applicable)

If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment, or performance of experimental, developmental, or research work under that "funding agreement," the recipient or sub-recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

The requirements of Section 6002 include procuring only items designated in the guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. The recipient or subrecipient should, to the greatest extent practicable and consistent with law, purchase, acquire, or use products and services that can be reused, refurbished, or recycled; contain recycled content, are biobased, or are energy and water efficient; and are sustainable. This may include purchasing compostable items and other products and services that reduce the use of single-use plastic products. See Executive Order 14057, section 101, Policy.

***Instructions for Certification***

- 1) By signing and submitting this form, the prospective primary participant is providing the certification set out on page 1 in accordance with these instructions.
- 2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant must submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the Department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation will disqualify such person from participation in this transaction.
- 3) The certification in this clause is a material representation of fact upon which reliance was placed when the Department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department or agency may terminate this transaction for cause or default
- 4) The prospective primary participant must provide immediate written notice to the Department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549, at 2 CFR Parts 180 and 417. You may contact the Department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
- 6) The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it may not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department or agency entering into this transaction.
- 7) The prospective primary participant further agrees by submitting this form that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the Department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the General Services Administration's System for Award Management Exclusions database.
- 9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 10) Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the Department or agency may terminate this transaction for cause or default.
