

Temple High School - Sr. Beta Club Membership Contract

Standards of Membership:

- The character and behavioral requirements of membership are of the utmost importance in order to adhere to the four pillars of which National Beta is founded on: Achievement, Character, Leadership, Service.
- The academic requirements for membership include a minimum 3.5 GPA for induction. Invitations are sent out at the end of each academic year.
- The service requirements for membership are to complete a minimum of 15 hours of community service per year. Of that requirement at least two projects should be through the school. You must also attend at least two meetings. All service hours must be updated in google classroom by the end of each school year. If students complete service hours for another club, they may count those hours for Beta Club.

Dues:

- Upon initial induction, students must pay \$32 in national dues and \$5 in local dues for a total of \$37 the first year.
- Local dues are \$5 per year (after the initial year) to be paid by Sept. 1
- Senior members in good standing will be allowed to order stoles for graduation at a price of \$16 due by March 31. If hours are not updated by April 30, students will not be presented with a stole.

Loss of membership will occur for any of the following if not corrected within one semester:

- failure to pay dues
- failure to attend at least two meetings
- failure to complete a minimum of 15 service hours
- failure to complete at least two projects sponsored by THS Sr. Beta
- failure to maintain a 3.0 GPA

Receiving ISS or OSS will result in probation after one occurrence and removal after second occurrence

Students will be notified of removal through their school email.

I have read and understand the requirements of maintaining membership in the Temple High School Senior Beta Club. I understand that it is my responsibility as a student to keep up with service hours and submit the hours in google classroom. If I complete hours outside of school, I understand that I must have the appropriate form signed. (Forms are outside Mrs. Shivers' classroom) For hours submitted as part of a school project, I understand that I need to check in or sign in with the adult in charge.
