# HOSA- Future Health Professionals

This organization is for any student that wants to go into any medical field. We compete in regional, state and some years national competitive events for students to showcase their skills. We had 6 stt winners last year and national winners in the last two years.

This year's officers are:  
Leah Repp- President  
Lana Rowland- Vice President  
Addison Stanley- Secretary

Anyone interested in a medical career can join as long as they are enrolled in a math, science, or health science class. There are three advisors: Ginger McPherson, Jesica Emerson, and Mandy Coats. We attend workshops, have HOSA Week, volunteer hours and community service. There will be many events occurring this year. Sign-ups have already begun for competitive events.

# FCCLA

## Family, Career and Community Leaders of America

### We are all about community!

What can we do to help? How  
can we be involved? How can  
we positively contribute to the  
community and school  
atmosphere?

### We have competitive events called STAR Events

There is a wide range of competitive event  
topics which gives students the opportunity to  
find a competition that is very closely related  
to their career goals.

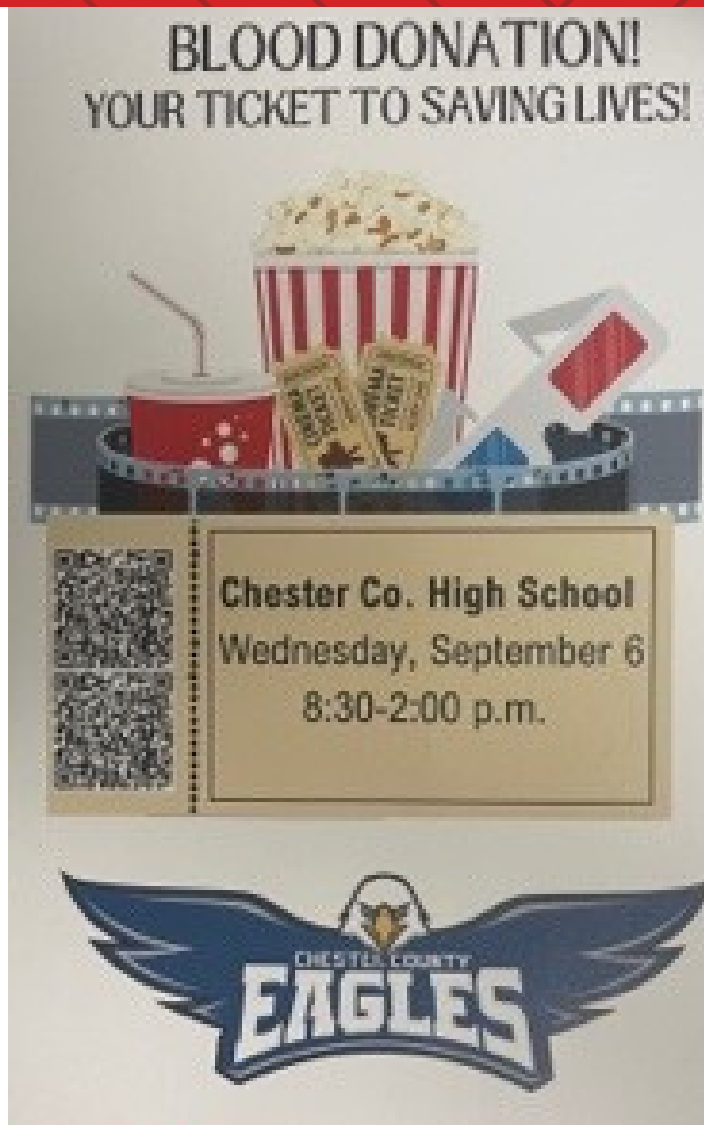

### We do several things within the school. This year's plans are as follows:

Faculty and Staff Christmas Party, Miss  
Henderson Pageant, District and Regional  
Basketball Hospitality Room (provide food),  
and a Field Trip to various schools to get  
involved with the sweet kiddos! We usually  
do a Memphis Zoo Field trip

**HOSA blood drive is  
September 6th. Our  
goal is 100 donors.  
We need your help! If  
interested contact  
the front office.**
