About Me

Hi! I was born, raised, and still live in Coffee County. I became a teacher to help students achieve their fullest potential. This will be my fourth year teaching in 2nd grade at North Coffee! In my spare time you can find me on the farm with my husband and two dog children, Jack and Leroy, and newest baby girl, Clara.

Education

I graduated from Tennessee Tech University with a Bachelors Degree in Elementary Education. During my residency, I student taught in a Kindergarten and 1st Grade Classroom.
