

Tawas Area High School

Student Announcements

June 1, 2022

SEE AN ACT OF KINDNESS? If so, ask ANY of your teachers to fill out a paper chain link in support of Tawas Kindness! The goal is to have enough acts of kindness to create enough chains to connect middle and high school hallways by the end of the year! Let's do it: Be Kind and Write a Chain!

SO EXCITED ABOUT THE PAPER CHAINS HANGING FROM THE CEILING OF THE MAIN HALLWAYS OF BOTH MIDDLE AND HIGH SCHOOL! We are getting closer to our goal! We need even more! Please ask your teacher for a paper link to fill out for acts of kindness! Keep the chain reaction going!

DON'T FORGET ABOUT THE COMPETITION FOR PAY IT FORWARD MAY. Each 1st hour class should fill out kindness slips to create a chain made just by that 1st hour class. The class to create the most kindness links for the month of May will earn donuts in June!

EAR BUDS ARE OUT OF CONTROL! EAR BUDS ARE ONLY ALLOWED BY TEACHER PERMISSION IN THE CLASSROOM ONLY IF CONNECTED TO YOUR CHROMEBOOK. EAR BUDS MUST BE TAKEN OUT OF YOUR EARS PRIOR TO ENTERING THE HALLWAY, AND THEY CANNOT BE ATTACHED TO YOUR PHONE (WHICH, BY THE WAY, SHOULD BE IN YOUR LOCKER!).

STUDENTS: DETENTIONS AND IN-SCHOOL-SUSPENSIONS MUST BE SERVED PRIOR TO THE BEGINNING OF NEXT YEAR. THAT MEANS THAT YOU WILL HAVE TO SERVE YOUR CONSEQUENCE WITH MRS. MOCHTY, MRS. BOLEN, OR MR. SUTTLE AFTER THE LAST DAY OF SCHOOL IF NEEDED! BEHAVE, AND YOU WON'T HAVE TO WORRY ABOUT IT!

EXCITING NEWS - PLEASE SHARE EVERYWHERE!

IRESA summer camps coming June 13th & 14th!! At the Career Tech Center 9:00 - 3:00.

Online registrations open May 1, 2022

FOR STUDENTS ENTERING 7TH, 8TH, AND 9TH IN THE FALL!

NEMTA (Northeast Michigan Talent Alliance which includes COP ESD, COOR ISD and IRESA) was awarded a Marshall Plan grant in August of 2019 to create a STEM to career pipeline. The grant focuses on both STEM Professionals and Skilled Trades. These talent pools must be addressed concurrently, as they share common skill sets, and interested students may pursue either pathway. STEM refers not only to Science, Technology, Engineering, Math, but also to Skilled Trades associated with Manufacturing and Fabrication. A Skilled Trade, and STEM Professional talent shortage currently exists across the Northeastern Lower Peninsula, and all of Michigan.

In 2021 we held our first middle school summer camps at the Career Tech Center. This year we have double the opportunities for students!

There is no cost to students!
