School History

Frank Hughes School has stood in the heart of Clifton for more than 100 years. The school has seen many proud and happy days in its long history. Originally named Frank Hughes

College, it began as both a college and a grade school. Generations of students from Clifton and the surrounding areas have spent their formative years on the historic FHS campus.

In a way, the story of Frank Hughes School began with a terrible tragedy that occurred on the afternoon of February 1, 1904. On that day fourteen year-old Frank Hughes went hunting on the edge of town with his uncle and a few friends. Frank, the son of prominent and well-loved parents, was fatally wounded when his shotgun accidentally discharged as he crossed a barbed-wire fence. Cliftonians were shocked when they heard the terrible news, and the town mourned greatly for the loss of this promising young boy.

A few months later, in January of 1905, the people of Clifton gathered in Clifton's Presbyterian Church to discuss building a new school in town. At that meeting local poet Charles Ricketts read a letter from his brother-in-law, a remarkable former Clifton resident named John A. Pitts. In that letter the Judge Pitts and his wife Ellen offered to donate what was then considered the most desirable property in all of Clifton for the construction of a new school. In that same letter the Judge also proposed calling the new school "Frank Hughes College" to honor the many contributions to Clifton made by Frank's parents, TS and Betty Hughes.

Judge Pitts' proposal was met with great enthusiasm, and the money was quickly raised to construct the new building. The original Frank Hughes building was built astonishingly fast. Tennessee Governor John Cox was the featured speaker when the school was dedicated with an impressive ceremony on September 13, 1905. Classes at Frank Hughes College began the following year.

In the beginning, Frank Hughes College offered educational opportunities for students in the first grade right on up through college. Bachelors and Associates Degrees were awarded at Frank Hughes for several years. In fact, out-of-town students used to come to Clifton and board in some of the large homes. Students came from a surprising variety of locations. According to the Frank Hughes College catalog of 1908-1909, students came from several states including Tennessee, Kentucky, West Virginia, Ohio, Maryland, Pennsylvania, Alabama, Arkansas, Oklahoma, and Texas.

As the steamboat traffic on the Tennessee River declined and the major new highways bypassed Clifton, attendance at Frank Hughes College began to wane. In the late 1920's the college section was phased out, and Frank Hughes School became a part of the Wayne County public school system.

Our campus has witnessed many changes since those early years:

- In the 1930's the first gym was added to the FHS campus. Before that, basketball games were played in a large room on the first floor of the school building. Graduating seniors began wearing caps and gowns in 1934.
- In the 1940's, many of our young men left FHS for the war, and some of them never returned. This was the last decade that large trucks were used as buses.

- In 1951 the first yearbook was published, and in 1952-53 a separate building was constructed for the elementary and junior high students.
- In the early 1960's a new gym was built, and a couple of years later the original gym was destroyed one night in a spectacular fire. Frank Hughes School finally became a school for everyone when integration came in the mid 1960's. Ann Churchwell became our first African-American graduate in 1966.
- The original building was demolished to make way for the present high school in 1976. The original elementary building burned in 1977, and it was replaced in 1979.
- In the 1980's our girls' basketball team became state champions. Sadly, the old tradition of spectacular senior trips ended with the Class of 1989's trip to Hawaii.
- In the 1990's extravagant elementary Christmas programs and the FHS dinner theater productions became extremely popular in Clifton.
- A new middle school wing and a new gymnasium were added to the campus in the early 2000's.
- Recently, the "old gym" was renovated through donations and extensive work by alumni, community and school members. It has been renamed "Alumni Gym" in honor of those who have graduated from Frank Hughes School.
- Elementary and high school restrooms have been updated/upgraded for student use.
- We have also recently upgraded the playground facilities and have installed a walking and bike track on the school grounds. This is open to the community.

The buildings and faces have changed through the years, but the original purpose of Frank Hughes School has stood the test of time. FHS still strives to prepare students from the Clifton area for a better life. As the old cornerstone in the bell tower says, FHS remains "dedicated to the cause of education."

School Policies

The Wayne County Board of Education wants every parent and student to fully understand the general rules and regulations regarding student conduct, which are in effect in the schools. This handbook has been prepared to explain and clarify the procedures, policies and regulations at Frank Hughes School. Students and parents are encouraged to contact the school administration if they have questions or concerns. If this does not produce a satisfactory response, students and parents should then contact the Director of Schools.

The policies and procedures contained in this handbook are the result of a concerted effort on the part of the faculty and the administration. This information has been carefully prepared and presented so that it will be of great value in helping you adjust to your school, and to become an integral part of it.

The ultimate purpose of education is to help each student become an effective citizen in a democracy. Developing and accepting the responsibilities and obligations of good citizenship will help us to participate successfully in the world of tomorrow. We hope that you will participate in our varied activities and thus find those things within your school that will prepare you to live a better life and finally take your place in this complex society. Remember that your success in this school will be directly proportional to your efforts.

The administration will refrain from making any more rules than are absolutely necessary. Students are expected to conduct themselves as ladies and gentlemen, use sound judgment in their actions, and refrain from any disruptive behavior. Students are also expected to be courteous, show respect to all people, respect the authority of the teachers, and follow all rules and regulations set for them by the administration.

Students/Parents are expected to read the Student Handbook.

School Day

The school day begins at 7:50 AM and ends at 2:45 PM. **Once you arrive on campus, you will not be permitted to leave without permission from the office.** Students in grades K-8 will go directly to the cafeteria upon arriving at school and remain there until 7:45 AM, when the bus duty teacher or the bell will dismiss them. Students in grades 9-12 will be permitted to go to their first period classroom immediately upon arriving at school. **THE BUILDING WILL NOT BE OPEN UNTIL 7:20 AM. Please do not drop off students prior to 7:20 AM. Once the school day begins, all exterior doors to the building will be locked. The only unlocked door to access school will be through the check out office**The school day will end at 2:45 p.m. All students should immediately leave the building and the campus, unless they have official school business under the supervision of a faculty or staff member.

Breaks

Breaks will be provided. Students are to use this time to use the restroom, eat snacks, and take care of any personal school business as permitted by the teacher in charge. Misuse of this privilege may result in breaks being eliminated.

Checks

The school is not allowed to accept checks made out to Cash. Only checks written for the exact amount of the purchase and made to Frank Hughes School will be accepted. A fee of \$10.00 will be charged for returned checks.

Disaster Plan

Fire Drills—The signal for this drill is **ONE LONG, CONTINUOUS RING**, with an announcement of **“CODE RED”**. We will also use the “CODE RED” for other emergencies requiring evacuation of the building.

The purpose of a fire drill is to empty the building as quickly as possible. The following regulations should be observed whenever a fire drill is conducted:

- Each class will exit the building by way of the outside door in each room. These exits are marked on a diagram posted in each classroom.
- Teachers are to take their roll books and check the roll when outside the building and
- keep their students together.
- Students are not to re-enter the building until their teachers have received the proper signal.
- Teachers will check the roll when all students have re-entered the building.

Tornado Drills ---The signal for a tornado is an announcement of **“CODE GRAY”**.

Upon the sound of a tornado drill, the students will move to the assigned area of the building where they may sit, kneel, or squat and cover their heads. When danger of the tornado is past, students will move back to their respective rooms. The teacher will then check roll. “CODE GRAY” will be used for any emergency where students will be instructed to stay in the building and assume a weather related posture.

Lock-down procedures---The **“CODE BLACK”** signal will be given when the school is in **lockdown**. Students are to stay in their assigned area, and listen to teachers directions. Doors are to be locked and students are to move to an inside wall so as not to be visible by any intruder.

These emergency procedures will be practiced throughout the school year to assist in safety measures in the event of a crisis situation.

Financial and Other Obligations

No student will be allowed to receive a report card until all debts are paid, all library books returned, and all other obligations are met, such as payment for lost textbooks, book fines, charged lunches, damage to school property, etc. This policy will be strictly enforced and reviewed every nine weeks.

Lockers, Mailing Fee, & Other Fees

Elementary students will be charged a \$15.00 mailing/technology/supplies fee.

Middle and High School students will be charged a \$15.00 mailing/technology/locker fee.

Students in grades 5-12 are issued a locker for personal use in keeping school supplies, coats, and etc. Locks and lockers are provided as a part of the Mailing/Handbook fee. School locks must be used on the assigned lockers. Teachers will keep a log of locker assignments and combinations. A copy of this log will be kept on file in the office.

Students should only use the locker that they have been issued. They should keep their locker neat and in good condition. Students are not to write on lockers or put any kind of decals or stickers on them. They are not to give their combination to other students. Lockers are school property that has been provided for the student to use, take care of, and respect. A student should avoid putting various valuables and money in a locker. Any problems experienced with lockers should be reported to the office.

If there is reason to believe that a locker contains items detrimental to the health and welfare to the student or stolen items, a search may be authorized.

There also may be a science lab fee assessed to students that are taking those classes.

Lost and Found

Students who find lost items are asked to take them to the office where the owner can claim them. Students are asked to place their name in or on personal property. Students are expected to keep up with their own personal property and textbooks. The school cannot assume responsibility for losses;

however, if a student reports the loss of an item immediately, every effort will be made to locate the item.

Valuables

Students should not bring large sums of money, valuables, or expensive jewelry to school. If it is necessary to bring such items, students should make arrangements with a teacher or the principal for safekeeping. **Do not bring any items to school that do not pertain to schoolwork.** Examples might include trading cards, cell phones, I-Pods, or any item the administration deems as interfering with the learning environment.

Cell Phones and Similar Devices (Policy 6.312)

In order to further ensure the safety of students while at school, school sponsored events and traveling to and from school, the Wayne County School System will allow students to possess cell phones, and other electronic communication devices provided they abide by the following school policies regarding their use:

- The use of cell phones in the school building is strictly prohibited.
- The instructional school day is defined as the time period between a student's arrival in the building and the final dismissal bell for all students. **The instructional day includes breakfast and lunch periods, breaks, restroom breaks, and class changes.**
 - The principal or designee may also grant a student permission to use such device at his/her discretion
- Teachers can allow cell phones to be used within class to complete class assignments. It is the teacher's responsibility to monitor use of personal cell phones during their instructional time.
- Cell phones/communication devices should be turned **OFF** during the instructional school day and should be stored in a locker, back pack, purse, pocket, or another place where it is not visible during the school day.
- At no time should students carry an exposed cell phone.

Violation of the above rules will result in the following:

- First Offense – Confiscation of device until the end of the school day. Warning issued.
- Second Offense – Confiscation of device for 3 days.
- Third Offense – Confiscation of device for five days. Parents must come pick up the device.
- Following the Third Offense – At the discretion of the principal

Parents should call the school for any emergency situation. School administrators will contact your son/daughter. **Parents and students are asked to refrain from contacting each other by cell phone/text during the school day.**

The school system is not responsible for lost or stolen electronic signaling devices.

Messages for Students

Parents should make arrangements for how students will get home prior to the beginning of the school day. In cases where a message must be delivered to a student during the school day, **please make sure that you call before 2:15 PM**. It is very difficult to deliver messages at the end of the school day. Messages received after 2:30 may not be possible to deliver. **Please keep all messages to "Emergency Events Only"**.

Medication

If it becomes necessary for a student to take any form of medication at school, the following rules will apply:

- A signed note from a parent/guardian must be presented to the office giving office personnel permission to give the medication to the student.
- All medication will be kept and dispensed through the office.
- All medication must be labeled with the student's name and dosage instructions.
- Only medication sent from home will be dispensed through the office. We do not give out aspirin or Tylenol. We do, however, treat cuts and abrasions.
- No medication may be kept in lockers, purses, or pockets. This includes aspirin and Tylenol. These must be brought to the office as described above.

Solicitation and Sales

Students are not to engage in any type of buying, selling, or trading of articles on school property. Any item brought to school for this purpose will be taken from the student and may be retrieved at the end of the school day. No sales by individuals or non-school groups are permitted.

Telephone

The office telephone is for school business and may be used by students only in case of emergency. Students may not use the office phone without first obtaining permission from office personnel (not student workers). Messages and deliveries from home should be left in the office. Students will not be called out of class for messages unless it is an emergency! A principal or office personnel must approve calling parents to pick a student up at school.

Visitors

Although parents are welcome at Frank Hughes School, anyone coming to school will need **to come to the office first. Do not go directly to the child's room without checking in at the office.** It is very important for the safety of each student and to preserve the quality of instructional time that the office is aware of all persons on campus. Students should not bring friends, brothers or sisters, etc. to school.

Grading

The following uniform grading scale was adopted by the Wayne County Board of Education in the June, 2022 board meeting (TN Public Ch 1080), to be used by all schools giving numeric grades. Grades are determined by combining daily grades, test grades, and special project grades. The grading scale is:

A	=	90-100
B	=	80-89
C	=	70-79
D	=	60-69
F	=	59 or below
I	=	Incomplete

Honor Roll/Principal's List

Making the Honor Roll or Principal's List is the ultimate success! We are proud of the hard work that students exhibit while striving to earn this status.

Requirements for the Honor Roll are:

- Overall grade average of 85 with no grade below 80
- Satisfactory mark in Physical Education

Requirements for the Principal's List are:

- Overall grade average of 90 with no grade below 85
- Satisfactory mark in Physical Education

The Honor Roll and Principal's List will be posted in the office before they are sent to the paper. It is the student's responsibility to check the list if he/she believes he/she should be on the list. If it is not included, please notify the office.

Reporting Progress to Parents

It is important that current telephone numbers and addresses of home, relatives, and workplace be kept on Student Information Forms in the office so that family members can be contacted as needed. If this information changes during the school year, please contact us with the correct information.

- Letters or notes from teachers/principals are used to report progress and behavior to parents/guardians.
- Report cards are issued at the end of each nine weeks period.
- At the midpoint of each 9 weeks period, we will be sending out progress reports. These are not to be official grades, but are meant to inform parents of student progress before report cards are issued.
- Formal parent-teacher conferences will be scheduled in the Fall on Monday, September 16, 2019 (10:00-5:00), and in the Spring on Monday, February 17, 2020 (10:00 – 5:00).

Homework

It is a policy at Frank Hughes School to regularly assign homework for the reinforcement of skills studied during class time. Homework grades play an important part in the total grade at the end of the nine weeks' period. Students who need additional assistance with homework may contact the guidance counselor for after school tutoring opportunities.

Make-up Work (Wayne County Bd of Educ. Pol 6.200)

All missed class work or tests (excused or unexcused absence) may be made up provided the student makes the request immediately upon returning to school and provided instructional time not taken from other students. A grade "Incomplete" will be received for any work missed until the work is completed. A student may have up to three (3) days to make up work from a single absence and up to 5 days to make up work from an absence longer than a single day. It's the students responsibility to make arrangements for make-up work, and if not completed in the allotted time, a grade zero(0) will be recorded for the assignments.

TCAP and End of Course Exams

TCAP exams will be administered for grades 2-8 in the Spring Semester. These tests will count as 15% of the students' grade for the final semester.

End of course exams will be administered in some high school core classes in both the Fall and the Spring. These tests will count as 15% of the students' grade for the final half of the course.

High School Semester Final Exams

Students in grades 9-12 will be given end of semester exams in each class. These exams may be comprehensive, cumulative, or however the teacher decides to set them up. Students can be exempt from these exams if they obtain the academic and attendance requirements set forth by the teacher during the semester. These exams will be in addition to the EOC state-issued exams in some classes. An exam schedule will be posted at the end of each semester for students to follow.

Textbooks and Chromebooks

Textbooks are provided free of charge to the students. Books assigned to students must be returned in reasonable condition. Students will have to pay for any damaged or lost books. Some classes may require students to purchase additional workbooks. Chromebooks will be used in various classroom settings and are the property of the Wayne County School System. Each student and parent must read and sign the Wayne County Schools Chromebook Check Out agreement when issued a school owned Chromebook. See the **Wayne County Schools Chromebook Agreement** at the end of this handbook.

Guidance

The school guidance counselor will be available to assist the students, parents, administration, faculty, and community during the school year. Areas of involvement will include orientation or new students, scheduling, testing, individual and group counseling, career and technical education, and personal-social growth and development. Counseling is available for any student who needs advice, help, or information. The purpose of the counselor is to help students with problems of school studies, friendships, personal matters, and college requirements. No student will be permitted to participate in school sponsored field trips with more than 9 unexcused absences for the entire school year.

Wayne County Bank Academic Bowl

Students with a total of three tardies or one unexcused absence will not be permitted to attend the Wayne County Academic Bowl.

Attendance/Truancy Policies (W.C. BoE 6.200)

Regular attendance and punctuality are essential in any vocation chosen in life. It is also essential to student success, enjoyment, and achievement in schoolwork. State law also requires it. Every student should make attendance one of his/her priorities each year.

Absences

Absences shall be classified as either excused or unexcused as determined by the principals or their designee. Excused absences shall include:

- Personal illness
- Illness of immediate family member
- Death in the family
- Funerals, with parental consent
- Religious observation
- Circumstances which, in the judgment of the principals, create emergencies over which the student has no control
- Extreme weather conditions

After being absent from one or more classes, a student must bring a written note from his/her parent/guardian to receive an admission slip. All students must check in with the school office before school begins. Failure to bring a note will result in an unexcused absence. This unexcused absence can be removed only by bringing the proper note to school on the next day. **Documentation for an excuse must be provided to the school office within 3 days of the last absence.** The note should contain:

- The student's full name
- The date of absence
- Reason for absence
- Parent/guardian signature

Parents are accountable under state law to see that students attend school. When a student has 4 "sick" notes (per semester), the 5th excuse must be a written statement from a licensed physician. Notes marked "personal" will be monitored. **Nine unexcused absences will result in a referral to the Attendance Officer/Truancy Board of the Wayne County Board of Education. Students**

with 5 unexcused absences will not be allowed to participate in any extracurricular activities(including sports). Also, students who have 9 unexcused absences during the school year will **NOT** be allowed to attend the prom. Excessive absences and continued non-compliance with attendance laws will result in subpoenas to juvenile court.

Wayne County Schools Truancy Intervention Plan

3 Unexcused absences- Formal letter from school will be sent to Parent/Legal Guardian, making them aware of absences including compulsory attendance law and board policy.

Tier I - 5 Unexcused absences

- A Resulting **attendance contract** to be signed by student, Parent/Guardian, Principal/Asst. Principal, and School Counselor.
 1. Description of school's attendance expectations for student.
 2. Period for which it is effective
 3. Penalties for additional absences and alleged school offenses, including additional disciplinary action and potential referral to juvenile court.
- Individualized assessment by school counselor of reasons student has been absent from school. This assessment may result in referral to counseling, community-based services or other services to address attendance problems.
- If student accumulates additional unexcused absences in violation of Tier I attendance contract, student will be subject to Tier II interventions.

Tier II - 6 Unexcused Absences

- Formal letter from District will be sent to Parent/Legal Guardian, making them aware of absences including compulsory attendance law and board policy.
- School Counselor shall conduct an **individualized assessment** detailing reasons student has been absent. May include individual counseling time, collaborate with community-based services to address attendance problems.

Tier III - 9 Unexcused Absences

When student accumulates 9 unexcused absences, the attendance supervisor/Principal will notify Parent/Legal Guardian of their requirement to attend a scheduled Truancy Board meeting as established by Truancy Board.

Failure to appear before the Truancy Board will warrant an automatic petition to Wayne County Juvenile Court.

- Tier III interventions are to be implemented if truancy interventions under Tier II are unsuccessful.
- These interventions shall be determined by a team made up of mental/medical health professionals, case management agencies, youth service officer, and school representatives.

Tardiness

A “little late” is too late---class time is important!

What are the results of allowing tardiness? When we think of an isolated incident, it seems to be no big deal. However, a lax attitude toward tardiness encourages the delay of starting class. If each class were delayed only five minutes, the end result would be a loss of 20 minutes daily, 1 hour and 40 minutes weekly or a total of 60 hours of instruction over the course of a school term. Therefore, we will not accommodate tardiness. Students who are late to school must check in through the office. Being late to class during the school day will result in the teacher issuing an unexcused tardy to the student. **Students with 3 unexcused tardies per semester will result in one unexcused absence**, be assigned 5 AM break detentions at which time they will be copying the student handbook. **Excessive tardiness may result in alternative school.** All entrances will be locked after 8:00 AM, and anyone arriving after this time will be required to enter the main entrance to receive the appropriate note/documentation. This policy is for the safety of our building, and the protection of our students. **DO NOT** ask someone to let you in these entrances that are locked.

Elementary (Grades K-5)

Homeroom begins at 7:50 a.m. Students arriving after this time are counted tardy. They will need to go to the office and sign in. A student should bring a written note from home to the office stating why he/she is late and must be signed by parent or guardian. A tardy note will be issued and the student is to take the tardy slip to their teacher.

After 4 unexcused tardies your child will make up time during break or PE. You will be notified on the 4th tardy to make you aware of this situation. If this continues to be a problem, after school detention, before school detention, or in-school suspension will be assigned.

Grades 6-12

Excused Tardies

A tardy will be excused if the student has a written note signed by his/her parent/guardian. Only 4 excused tardies will be granted per semester. After the student's 4th tardy, excuses must be Dr/Dentist note, death in family, or court appearance to be excused. 5 unexcused tardies will result in 5 days AM break detention. VOTECH students who reach 6 unexcused tardies will spend 1 day in ISS.

Unexcused Tardies

Each time that a student is tardy to class the teacher will request that the student sign a tardy form which will be turned into the office. Upon receiving the 5th unexcused tardy, the student will receive 5 days AM break detention. Each time a student reaches the 5 unexcused tardies level, they will serve 5 days AM break detention, or an alternative form of discipline will be determined by the administration. VOTECH students who reach 6 unexcused tardies will spend 1 day in ISS.

Further abuse of this policy will result in the Administration taking additional action. Example: After school detention, Alternative School, or driving privileges taken away.

Driver's License Revocation (Board Policy 6.200)

More than ten consecutive or fifteen unexcused absences by a student during any semester render a student ineligible to retain a driver's permit or license, or to obtain such if of age. In order to qualify for reclaiming a driver's permit or license, the student must make a passing grade in at least three full unit subjects or their equivalency at the conclusion of a grading period.

Check-in & Check-out Procedures

Students coming to school after the 7:50 tardy bell will need to check in the office to receive an admission note to class. Please refer to the tardy policy for excused admission to school.

Parents who wish to check their children out of school must come into the office and sign their child out. Parents who cannot come to the school themselves, may call the school and designate a responsible adult who will be allowed to check the student out of school. **The designated adult must be at least 18 years of age, must present a valid driver's license and must come in to the office and sign the student check out form.** This practice is designed to prevent such abuses as individuals posing as parents and checking students out of school without the actual parent's knowledge. We hope we can eliminate a dangerous situation without causing an undue hardship on the parents. In cases where someone poses as a parent and designates a person to check a student out without the real parent's knowledge, we will have the driver's license number of the person responsible and that person will be prosecuted. In addition, the student will be punished here at school.

Even students who are 18 must have a valid excuse to check out of school. The Principal or his designee must agree that the excuse is valid. Unexcused absences will result in a zero being given for all class work missed and subject to other disciplinary measures.

Parking Lot/Driving Privileges

Students will use the parking area between the gyms or the areas around the gyms. Students are not to park on the sides of the school, in front of the old gym, or in front of the building; these areas are for faculty, visitors, and bus parking. **Under no circumstances are students allowed to go to the parking lot unless given permission by the principal/designee.**

The speed limit on campus is 15 M.P.H. as required by state law. **The following violations may result in the privileges of driving or riding with someone to school being revoked.**

- Excessive tardiness
- Illegal parking
- Sitting in cars during school hours
- Bringing unauthorized people or items to school
- Going to cars during the day without permission from the principal

Leaving School Grounds Before Dismissal

After students arrive on school property at the beginning of the school day, they must remain on the campus until dismissed that afternoon unless they are properly checked out of school by their parent/guardian. Students who ride buses are not to leave the bus after boarding until they reach school in the mornings and their home in the afternoons. Any temporary change in a student's schedule must be made in writing to the principal's office, and the student will take a signed note to the bus driver. In order for a student to leave in any other manner, the student's parent/guardian must check the student out through the office. Students caught leaving campus will be subject to:

***1st Offense - 3 days AEP**

***2nd Offense - 5 days AEP**

***Recurring offenses- Administrative decision**

The bus driver shall keep order, maintain discipline among the students in a civil manner, see that no student is imposed upon or mistreated while in his/her charge, and shall take every precaution to ensure the safety of the students.

The bus driver has the same rights and authority as a classroom teacher. The driver may assign any student who presents problems a permanent seat. Bus problems will be referred to the principal.

The student's parent/guardian will be notified. The case will also immediately be referred to the proper legal authorities and to the Wayne County School Board.

Drug Testing

Students suspected of drug use may legally be required to submit to drug testing. Refusing to submit to testing could result in the student being removed from school.

Alternative Education Program (policy 6.319)

Students will attend W.C.A.E.P. from 8:00 AM to 2:40 PM for the amount of time specified by the student's assigning principal. Students must leave campus when dismissed from A.E.P.—you are not allowed on the campus of your home school.

Students will come to A.E.P. fully prepared to work on current or tardy assignments. Work will be sent to each teacher daily.

All tardiness or absences will be unexcused unless a doctor's written excuse is presented. Five (5) unexcused absences or tardies will be reported to the Attendance Supervisor.

Tobacco

Students shall neither use, nor have in their possession, tobacco products or lighters in any form on school premises or on school buses during school hours. Vapor cartridges/pods, Juuls, and similar devices are also strictly prohibited. A LAW PASSED BY THE LEGISLATIVE REQUIRES LAW ENFORCEMENT OFFICIALS AND SCHOOL PRINCIPALS TO ISSUE A JUVENILE CITATION FOR STUDENTS WHO UNLAWFULLY POSSESS TOBACCO PRODUCTS.

The following policy is now in effect:

- 1st Offense – Citation to juvenile court
- 2nd Offense – Citation to juvenile court and 3 days AEP
- 3rd Offense – Citation to juvenile court and 5 days AEP
