## Early Childhood Developmental Screening

### WHAT IS IT?

The RISD Early Childhood Program will hold its annual child developmental screening day for all 3 and 4-year-old children living in the Rivendell Interstate School District. The screening involves activities that are both fun for young children and help us learn about a child's motor, cognitive, social, language, and communication skills. The screening is for all children in the district, even if they will not be attending the Early Childhood Program next school year.

### WHO NEEDS SCREENING?

Any child residing in Vershire, West Fairlee, or Fairlee VT, as well as Orford, NH who will be 3 or 4 years old by August 31, 2023. Screening is not required; however, it is highly recommended.

### WHEN AND WHERE CAN MY CHILD BE SCREENED?

RISD is offering screenings at two different locations on Monday, March 20, 2023. Choose the time and site that works best for your schedule. The screening times have a set number of spots, once they are full, we cannot add more children to that specific session.

Call 802-333-4668 or email [hnichols@rivendellschool.org](mailto:hnichols@rivendellschool.org) or [abean@rivendellschool.org](mailto:abean@rivendellschool.org) schedule your screening time.

Location	Session 1	Session 2
Westshire Elementary	8:00-8:45	9:30-10:15
Samuel Morey Elementary	12:00-12:45	1:30-2:15
