

## **23-24 Califon School Goals**

### **District Goals**

1. Expand and enhance 21st Century learning opportunities that motivate and engage all learners.
2. Engage students in Social emotional Core competencies including health, wellness and social awareness.
3. Conduct a comprehensive special education needs assessment that will serve to align our student needs with programs.

### **Chief School Administrator Goals**

1. The CSA will develop a plan to build community partnerships to enrich students through authentic learning opportunities.
2. The CSA will develop a plan to create classroom communities that enhance the whole school community utilizing the Responsive Classroom methodology.
3. The CSA will develop comprehensive recommendations to the Board of Education to establish new or re- envision existing special education programs that serve to align with students' needs.
