Describe method(s) of identifying students who may be at risk for academic failure:

Middle Grove school will use student academic assessment, in addition to the Missouri Assessment Program, to assist in determining needed teaching and learning in the classroom enabling low achieving children to meet Missouri's Learning Standards and do well in the local curriculum. We also use the teacher informal evaluations to help with face to face interaction.

These assessments include: Diagnostic Reading Assessment, Direct On-line Reading Assessment, Direct On-line Math Assessment and Everyday Math Benchmark Assessments.

The LEA will monitor students' progress in meeting the challenging Missouri Learning Standards by

- Providing additional educational assistance to individual students the local educational agency or school determines need help in meeting the challenging State academic states (5)

MONITORING STUDENTS' PROGRESS IN MEETING MISSOURI LEARNING STANDARDS (continued)

Section 1112 (b)(1)(D)

The LEA will monitor students' progress in meeting the challenging Missouri Learning Standards by

🔯 Identifying and implementing instructional and other strategles intended to strengthen academic programs and improve school conditions for student learning

Describe (including delivery system, personnel, etc.) instructional and other strategies not previously mentioned:

Through team meetings student needs will be identified. Teachers will evaluate student progress, make an inclusive educational plan for each child and request Title I teacher support where applicable to meet these student needs, either through small group or individualized push-in or pull-out format. Students may have needs beyond the classroom that should be met for a successful learning experience. After school activities will also be made available including Family Workshops, Family Fun Nights, LMC open study time and tutoring opportunities.

ENSURING TEACHER QUALITY FOR ALL
