**Bus Request Guidelines**

To request a bus, Coaches/Sponsor should send a schedule of events listing date, time and location of departure, time and location to return, number of passengers, destination and driver to the Bus Shop. Bus shop will prepare an individual sheet for the driver to sign and record mileage. The buses which are kept at Tattnall County High, South Tattnall Middle School, North Tattnall Middle School and Collins Elementary School must have the windows closed after use every day and inspection sheets filled out correctly. We are having too much damage to the floors from water damage, because windows are left down.

Classified staff must have approval from the Superintendent to drive a bus if that staff member is not employed as a bus driver. Classified staff is limited to 40 hours per week without paying overtime.

If you need the bus shop to schedule a driver, we must have ample time to do so – a month in advance. There are limited drivers available. Should a sponsor / coach want to ensure his / her students attend an event, he / she should contact the Bus Shop to train for a CDL (557-8916).

**Pre-K Teacher**

Please complete a form for each trip. Please allow time to schedule a driver. Since Pre-K trips are scheduled between routes, there should be no difficulty finding a driver. Please sign form in ink with a color other than black. Give form to driver to turn in to the Bus Shop.

**4-H**

4-H trips please fill out a form for each trip. Please list other counties that will be going on this trip riding on a Tattnall County School Bus. A roster is required to be turned in to the bus shop listing each student by county 2 weeks prior to trip.
