

George Washington School

July 2022

Greetings Parents and Guardians,

I am so excited to be the new Principal of YCS GWS!

Teacher and student safety is extremely important to me which is why I plan to work collaboratively with the school staff to ensure positive relationships are being fostered for all members of the community.

I am committed to working in partnership with families, staff and the community to support our children in reaching their maximum potential. I want to make sure each family feels welcomed so please don't hesitate to contact me with your concerns, questions or requests. In closing I look forward to a school year together where we grow and support one another.

Best Regards,

Dr. Tatum Stein, Principal
