

TRI-TOWNSHIP CONSOLIDATED SCHOOL CORPORATION

POLICY

REGARDING

MOMENT OF SILENCE

In order that the right of each student to the free exercise of religion is guaranteed and the freedom of each student is subject to the least possible coercion from the state either to engage in or refrain from religious observation on school grounds, there shall be a daily observance of a moment of silence in each classroom or on school grounds of each school in the school corporation.

During the moment of silence, the teacher responsible for a classroom shall ensure that all students remain seated or standing and silent during the moment of silence and the students make no distracting display so that each student may, in the exercise of the student's individual choice, meditate, pray, or engage in any other silent activity that does not interfere with, distract, or impede another student in the exercise of the student's individual choice.

This "moment of silence" is not intended to be and shall not be conducted as a religious exercise. This policy precludes students from using the occasion to pray audibly or otherwise speak, singly or in unison. Building principals and teachers must not allow or tolerate any coercion or overbearing by anyone to force other students to engage in or refrain from prayer or any other permitted activity under this policy.

The student code of conduct applies to disruptive behavior during a moment of silence in the same manner as provided for in other circumstances of such behavior.

The superintendent and/or principal may establish procedures to implement this policy.
