

COLONY OAK BIRTHDAY BOOK PROGRAM

The Birthday Book Program is designed to involve students and their families in the school library while expanding the library's collection of books. Your child's name and picture will appear on a donation bookplate that will be placed in the book. For kindergarten through fifth grade the birthday book will be presented to your student during their weekly library visit at the end of their birthday month. If your student is in sixth through eighth grade the birthday book will be presented in their class at the end of their birthday month. If your child has a birthday in June or July the birthday book will be presented to your student at the end of May. Your child will have two weeks to enjoy the book and when it is returned it will be added to our library collection for other students to read. You can purchase a new hardcover book or you can send \$15.00 and I will purchase a birthday book for your child.

If you wish to participate in the Birthday Book Program, please fill out the bottom portion of this letter and return it to Colony Oak as soon as possible with the birthday book that you have purchased or with \$15.00 (check or cash).

If you choose to purchase a birthday book on your own, please return the form and the book as soon as possible. If you have any questions, please contact Kim Maberry at 599-7145, Ext. 6311.
