

Please see the Mississippi Department of Education (MDE) required diploma pathway options on the MDE website at [Diploma Endorsements](#).

- \*Pathways are simply an effort to ensure that a student's classes will be of the most benefit
- \*Pathways can be changed by the parent and student signing a new form
- \*All students must obtain a traditional diploma. The CTE, Academic, and Distinguished endorsements are optional.
- \*Forms must be updated each year. We must have a signed form on record before scheduling classes.

Step 1: Chose which endorsement you will be pursuing OR the Traditional Diploma with no endorsement.  
Step 2: Type the student name, date, and parent name. Use the sign feature to add the parent's signature.  
Step 3: Click on the save icon in the top left corner. Upload, or print and submit to the high school office or email to [wpurvis@pcsdms.us](mailto:wpurvis@pcsdms.us)
