

Rainier School District #13

Board Recommendation Form

To: The Board of Directors of Rainier School District

From: Rainier School District

Date: April 8, 2024

Proposed Change: Tentatively approve the 2024-25 calendar dates

Effective Date: April 8, 2024

Reason for Recommendation: While the district is working on the development of the district calendar for the 2024-25 school year, we plan to present the calendar during the May board meeting. We would like to consider how collective bargaining and budgeting could impact the calendar before we present a final calendar. Knowing that families like to plan ahead, we do think we can reasonably predict that the dates presented can be tentatively approved.

Board comments or instructions: I make a motion to tentatively approve the snapshot calendar dates for the 2024-25 school year.
