

2nd Grade

Newsletter

The Week of April 29th, 2025

Upcoming Dates

Every Wednesday: PE
This Friday: Extra PE & Library & Music

5/2 ~ IDFY is visiting Bovill Elementary
5/7 ~ Spring Concert at 6:30pm
5/12 ~ Field Trip – More information in folders today

A Note To You

Hello Families,
Due to our day off on Monday, we will have specials on Friday instead. We also have extra PE on Friday. We will have a field trip on May 12th. More information on the field trip can be found in your folder today. Take a look at the upcoming end-of-year events. Information and dates can be found in your folder. Have a great week!
Mrs. Summerfield

Practice At Home

- ❖ Read and write together! After your child finishes reading a story, challenge them to add onto their story in writing OR write a retell of the main events. Pay close attention to spelling!
- ❖ For math, practice adding and subtracting numbers using a variety of different strategies. These strategies might include decomposing numbers, using a number line, or drawing the base ten form of the numbers to add or subtract, etc.
- ❖ Challenge your child to collect data and make graphs to represent their findings. They have learned how to make and read line graphs, bar graphs, and circle graphs.

This Week's Agenda

Spelling: Compound Words

Compound words are two or more words that combine to make a single new word.

Examples: toothbrush, fishbowl, lipstick

Reading: We will be learning about different inventors before writing an opinion paragraph about who we think was the most influential inventor.

Math: We are taking what we've learned so far in math and putting it together to plan a trip to the beach with a friend ☺

Science: We will begin discussing landforms, what they are made of, and how they change over time.
