Bunkie High School

Bunkie, Louisiana 71322

In Memory of Mr. Kelly DuBois Fuller

On September 27, 1997, Bunkie High School lost a beloved friend and a devoted educator with the untimely passing of Mr. Kelly Fuller. We, the faculty, staff, and students of Bunkie High School, wish to extend our condolences to his family and friends, and we wish to thank them for the years that they have allowed him to spend with us.

Until his retirement in May of 1997, Mr. Fuller served the students of Bunkie honorably for over 30 years. He served as a teacher and head basketball and football coach at Carver High School in Bunkie from 1964 until 1971. In 1971 Mr. Fuller assumed the position of assistant principal at Bunkie High School and served faithfully until his retirement. During the 1970's he also served as head basketball coach and assistant football coach. Two of his basketball teams competed in the Top Twenty state tournament.

Mr. Fuller was a member of numerous professional and civic associations, including the Louisiana Association of Teachers, the Louisiana Athletic Coaches Association, the American Legion, and Kappa Psi Fraternity.

For those of us fortunate enough to know Mr. Fuller, his patience and dedication serve as an inspiration. The influence he has upon students and fellow educators continues to enrich his school and his community.

Mrs. Wilson awards Josh a certificate for meritorious service. We hope!

Ms. Maxine Burrs

Ms. Maxine Burrs, a counselor and teacher at Bunkie High, guides Dustin through a complex business problem. Having solved many such problems during her career, Ms. Burrs has invested wisely and made a large fortune. She now plans to retire (to Argentina) and enjoy her wealth. Congratulations, Ms. Burrs! We'll miss you! The BHS faculty and student body.

Mr. Dan Maillett

Mr. Dan Maillett advises Regina and Tori about opportunities which await them in the 21st century. Although Regina and Tori have not yet made a decision, Mr. Dan plans to spend the next century on a quiet little country estate (as far from Regina and Tori as possible.) Congratulations and good health, Mr. Dan, from the BHS faculty and student body.

Mrs. Pam Deshotel

Mrs. Deshotel, our home economics teacher, was selected BHS Teacher of the Year by her peers. Though it was due in part to the wonderful treats which she prepares for the faculty, it was a well-deserved honor nevertheless.

BHS Academics!

To be conscious that we are perceiving or thinking is to be conscious of our own existence.

Aristotle

What's up in Civics?

BHS students even enjoy detention . . .

"Algebra! Algebra! Algebra!"

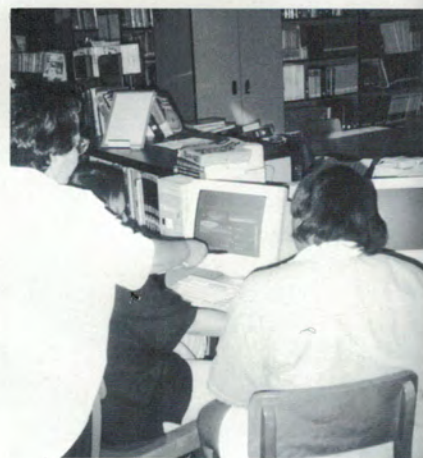

"What's a Bildungsroiman?"

Sometimes you need a leg up . . . or held down . . .

Another BHS advantage . . . class size!

"Learn to use all the resources of the library . . ."

Lauren O'Brien

BHS Student of the Year

Lauren was also chosen 1998 High School Student of the Year for Avoyelles Parish.

The faculty of Bunkie High School annually presents the Student of the Year award to the senior who has contributed most significantly to his or her school and community. This award, which is based upon academic achievement and community and school service, honors the industry, achievement, and leadership skills of its recipient. This year the BHS faculty is pleased to honor Lauren O'Brien.

Lauren's academic achievements are truly impressive. She has set and maintained a high academic standard at Bunkie High School, as evidenced by her presence on the Principal's List for the past four years. She has also participated in Knowledge Masters' and served on the Quiz Bowl team. For four years, Lauren has represented Bunkie High School in English at district literary rallies, and has placed each year including a first place award as a senior; she has also participated in four state literary rallies. For four consecutive years, her classmates have recognized her diligence by voting her the Girl Most Likely to Succeed.

Academic demands on Lauren's time have not prevented her from taking an active role in Bunkie High extracurricular life. She has been a valuable member of Students Against Driving Drunk (SADD) and the Beta Club throughout high school. As a senior, Lauren served as treasurer for SADD and performed as the Grim Reaper during SADD Awareness Week. Her classmates have twice selected her as their Beta Club Class President; Lauren was a member of the Beta Entertainment Committee as a junior. She was also a member of the student council for three years, and a member of the Paw Print staff for two years.

Lauren has also been involved in Bunkie High athletics throughout high school. She has served as a statistician for the BHS Lady Panthers. As a four year member of the BHS track team, Lauren has participated in meets throughout the area. Since 1997, she has held the school record for 800 meters.

In recognition of her many accomplishments and her many contributions to life in Avoyelles Parish, Lauren was selected the 1998 Avoyelles Parish High School Student of the Year. Congratulations, Lauren, on a well-deserved honor!

The Grim Reaper (Lauren) and another victim (Carrie).

And now that it's over, a winning smile . . .

In the spring of 1998 a committee from the Southern Association of Colleges and Schools (SACS) visited Bunkie High School to review our membership. Periodically, such committees evaluate high schools in Louisiana and other southern states to verify that member schools comply with standards set by the association.

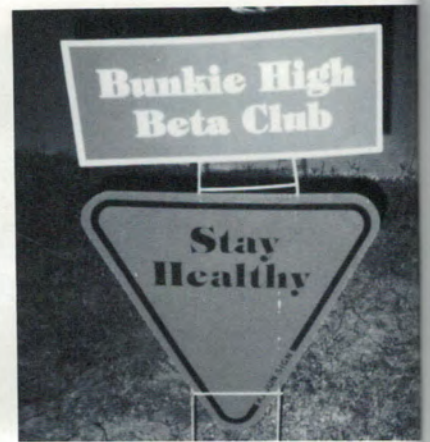

The committee's visit only concluded a process which had begun in August of 1997. The BHS faculty, particularly our librarian, Ms. Pat Soileau, spent many hours preparing for the SACS visit. Members investigated school facilities, standards, and instructional strategies during their visit. They also interviewed students, parents, and teachers to assess future needs of BHS.

After a four-day inspection, the committee reaccredited BHS as a member of the Southern Association of High Schools. We are presently the only school in our district to have received such accreditation.
