

Week of: January 8th – 12th

Theme: Winter

This week will consist of the theme focused on winter. We will be focusing on the letter: N and number: 4 this week. We will discuss the season winter and how it is different from the other seasons. We will read theme related books.

Music and movement will consist of singing and dancing to theme related songs. We will attend music class on Wednesday! We will continue to review rules, routines, and procedures to maintain safety at school. We will continue to discuss feelings (happy, sad, and mad) and how to handle feelings appropriately at school. We will review colors by going on a color hunt. For science, we will conduct a science experiment pertaining to melting and observe insects. We will work on the following literacy skills: letter identification and letter sounds. We will work on the following math skills: counting and number identification. We will strengthen our fine motor skills by putting puzzles together, cutting with scissors, writing our names, letters, numbers, and working in our journals. This week will be filled with fun while learning about our letters, numbers, and winter!

We are looking forward to our first full week of the new year in Pre-K!
