

Dear Jennings School District Families,

On behalf of Jennings School District Nutrition Services, I would like to take this opportunity to welcome our students to the 2022 – 2023 school year! We hope you enjoyed your summer and are ready and excited to be back in school. We, as Aramark Student Nutrition, are pleased to be your school district's food service provider.

We would like to reassure you that we are committed to providing every student in Jennings School District with a nutritious meal they can enjoy. We only remind and encourage your child to take advantage of this opportunity and grab a school breakfast and lunch every single school day.

As we reopen for the new school year, Aramark Student Nutrition is *Powering Potential* for students and faculty with innovations in our menus and enhancements to our overall dining operations. When your child dines with us, rest assured that we will be serving delicious, nutritious meals prepared with the utmost attention to safety. We encourage every student to fuel up with breakfast and lunch meals each day so they can be energized and prepared to succeed throughout the day, in and out of the classroom. Check out our daily menus and nutritional analysis on Nutrislice Menu Program on our District website

<https://jenningsd.nutrislice.com/menu>

One thing as you know that you can do to help this important cause is to encourage your students to eat with us. We do offer various breakfast programs – either in the cafeteria or in the classroom – to ensure students can start the school day right!

To further enhance our commitment to the health and wellness of our students, this year you can expect to see quarterly nutrition newsletters. and monthly student educational materials.

We look forward to working for you to create a healthy learning environment for all students.

If you'd like more information, please call our office (314) 653-8120 or check the district website for the latest news and updates.

Sincerely,

Edith Crossland
Food Service Director
