

Third Grade Newsletter

Week of January 26th-30th

This week we will be learning

Reading: We are finishing our Research Book which includes a four paragraph essay, map, predator and prey illustrations, and a Freaky Frog trading card.

Math: Multiplication with arrays

Science: Inheritance Traits Unit launch:
How do organisms get their traits?

A Note from Mrs. Johnson

Dear Families,

In this week's folder you will find a class list of names for students who would like to give Valentines. If your child chooses to give valentine cards, please make sure that everyone in our class receives one. You will also find a party treat sign up sheet as well. Our parties are scheduled for Thursday the 12th because I will be gone Friday the 13th.

Cardinal Trait: Positivity

"Positive thinking will let you do everything better than negative thinking will.. " Zig Ziglar
