## Family and Medical Leave (FMLA)

Employees are eligible for up to twelve (12) workweeks of family and medical leave each school year, if they: (1) have been employed by the District for twelve (12) months; (2) have worked at least 1,250 hours during the twelve (12) months; and (3) qualify for this leave based one of the reasons below:

1. The birth of a child;
2. The placement of a child with the employee for adoption or foster care;
3. A serious health condition of the employee that makes the employee unable to perform the essential functions of his/her job position;
4. The care of a spouse, child, or parent of the employee who has a serious health condition; and
5. Any qualifying circumstances arising out of the fact that a spouse, child, or parent of the employee is on covered active duty or has been notified of an impending call or order to covered active duty in the Armed Forces.

# DeKalb County Schools

## Maternity/Paternity Leave

FMLA leave runs concurrently with leave provided under the Tennessee Maternity Act, which affords eligible employees leave for a period not to exceed four (4) months for the adoption, pregnancy, childbirth, and nursing of a newborn child.

Spouses who are both eligible employees of the District are limited to a combined total of twelve (12) workweeks of FMLA leave in a single twelve (12) month period if the leave is taken for the birth and care of a newborn child, for the placement of a child for adoption or foster care, or to care for a parent who has a serious health condition. Under certain circumstances, spouses who share leave for the birth or adoption of a child may be eligible for limited amounts of additional leave for other qualifying FMLA reasons.

## Paid Parental Leave

Under state law, an additional six (6) work weeks of paid leave is available to eligible employees after a birth, stillbirth, or adoption of a newly placed minor child. An eligible employee taking leave under this provision shall not be required to utilize any other type of accrued leave during this period. Eligible employees include teachers, principals, supervisors, or other individuals required by law to hold a valid license of qualification for employment who have been employed with a school district full time for at least twelve (12) consecutive months.

Employees shall provide notice to the school district thirty (30) days prior to the intended use of the leave. If the employee learns about the need for leave less than thirty (30) days in advance, the employee shall give notice as soon as reasonably possible in order to be eligible for the paid leave. This paid leave does not need to be taken consecutively; however, the paid leave shall be used within twelve (12) months of the qualifying event. The leave shall run concurrently with FMLA leave.

For additional information, refer to policy 5.305.

## Extended Disability Leave
