REQUEST FOR PROPOSALS FOR

2024-2025 Technology Equipment

DUE DATE: July 23, 2024

at 9:00 A.M. CST

1.0 GENERAL INFORMATION

1.1 Profile

The Avoyelles Parish School System consists of six (6) Elementary Schools, four (4) High Schools, and four {4} NIF (Non-instructional facilities). Current enrollment is approximately 4,800 students at grades PK-12.

1.2 Purpose

The purpose of this Request for Proposals ("RFP") is to seek quotes from current Louisiana State Contract awardees for the included IT items, services and support for the 2024-2025 school year. The goal is to obtain competitive proposals for technology devices for school year 2024-2025, as outlined herein. Vendor must honor price for entire school year (August, 2024-May 31,2025). Although cost is of importance, proposing the lowest price will not assure the award of the contract. This process is to establish firm pricing for specific items used by APSB and to define the service requirements needed by the district.

The RFP provides prospective proposers with sufficient information to enable them to prepare and submit proposals for consideration by the School Board to satisfy the needs as outlined in the scope of work.

2.0 ADMINISTRATIVE INFORMATION

2.1 Expected Time Period for Contract/Purchase

The period of the contract/purchase resulting from this RFP is tentatively scheduled to begin on or about August 1 2024.

2.2 RFP Coordinator

Requests for copies of the RFP and all written inquiries must be directed to the RFP Coordinator listed below:

2.3 Calendar of Events

The Calendar of Events is listed below. Other pertinent events may be added by the School Board at its discretion.

Activity	Date
Post RFP on district website, official journal and bidding website	June 18, 2024
Collect proposals at open bid meeting	July 23,2024

The School Board reserves the right to amend and/or change this schedule of RFP activities as it deems necessary. Any such revision will be formalized by the issuance of an addendum to the RFP.

2.4 Conflict of Interest

By submission of the proposal, Proposer agrees that, at the time of contracting, the Proposer has no interest, direct or indirect, that will conflict in any matter or degree with the performance with the Proposer's services. The Proposer further agrees that, in the performance of the Contract, the Proposer shall not employ any person having any such known interest.

2.5 Response to Request for Proposals

A cover letter is to be submitted with the proposal and signed, in ink, by a person authorized to bind the Proposer.

2.6 Protests

Protest(s) must be in written form and must be received by the School Board within five (5) working days of the School Board's award of Contract. Any protest received after five-working days shall not be considered, and failure to submit a protest within the time specified shall preclude any legal action challenging the award of the contract. The written protest shall include, at a minimum, the following:

1. The name, addresses and telephone number of the Protester;
2. The signature of the Protester or its representative;
3. Identification of the RFP name and number;
4. A detailed statement of the legal and factual grounds of the protest, including copies of relevant documents; and
5. The form of relief requested.

2.7 Proposal Terms

It is the intent of the School Board to select a Proposer within thirty (30) days of the deadline for receipt of Proposals. Proposals must be firm and valid for at least thirty (60) days after the deadline for receipt of Proposals.

2.8 Acceptance of Terms

A Proposal submitted in response to the RFP shall constitute a binding offer. The signature of the Proposer indicates acknowledgment of this condition. A submission in response to this RFP acknowledges acceptance by the Proposer of all terms and conditions, including compensation, as set forth herein. A Proposer shall identify clearly and thoroughly any variations between its Proposal and this RFP. Failure to do so may be deemed a waiver of any right to subsequently modify the terms of performance, except as outlined or specified in the RFP or as otherwise negotiated between the parties subsequent to the decision to award the Contract.

2.9 Award of Contract

The award will be made to the Proposer whose Proposal, conforming to the RFP, is the most advantageous to the School Board, price and other stated evaluation factors being considered, subject to negotiation and execution of an acceptable Contract as described above. The School Board reserves the right to reject all proposals in its sole interest and discretion. In the event the School Board is unable to negotiate a contract with the first successful proposer, the School Board will reject such proposal and proceed with negotiations with the next successful proposer.

2.10 RFP Cancellation

The School Board reserves the right to cancel this RFP at any time and at its sole discretion, without penalty.

2.11 Indemnification

Proposers are advised that the Contract resulting from the RFP shall contain the following clause verbatim:

“To the fullest extent permitted by law, Contractor shall indemnify, defend (by counsel reasonably acceptable to School Board), protect and hold the School Board, its officers, employees, insurers, representatives and agents (i.e. the “Indemnified Parties”), harmless from and against any and all claims, allegations, actions, causes of action, liabilities, penalties, forfeitures, damages, losses, costs and expenses whatsoever (including, without limitation, attorneys’ fees, costs and expenses incurred during negotiation, through litigation and all appeals therefrom) including, but not limited to, those pertaining to the death of or injury to any person, sickness, disease, or damage or destruction to any property (including loss of use thereof and any consequential damages), caused by, arising out of or resulting in any way from (a) the failure of Contractor to comply with applicable laws, rules or regulations; (b) the breach by Contractor of its obligations under this Agreement; (c) any claim for trademark, patent or copyright infringement arising out of the scope of Contractor’s performance or non-performance of this Agreement; or (d) the negligent acts, errors or omissions, or the intentional or willful misconduct, of Contractor, its professional associates, subcontractors, agents and employees provided, however, that Contractor shall not be obligated to defend or indemnify the School Board with respect to any such claims or damages arising out of the School Board’s sole negligence.

2.12 Venue

The laws of the State of Louisiana shall govern in connection with the formation, performance and legal enforcement of any resulting Contract. The 12th Judicial District Court for the Parish of Avoyelles, State of Louisiana, shall be the sole and exclusive venue and jurisdiction for any litigation that may arise from the resulting Contract.

3.0 PROPOSAL INFORMATION

3.1 Proposal Response Location

Proposers who are interested in providing technology equipment under this RFP shall submit a Proposal containing the information specified in Appendix 1. The full completed Proposal with original signatures by an authorized representative must be received in hard copy (printed version) by the RFP Coordinator designated above by the deadline date specified in the Calendar of Events. Fax or email submissions are not acceptable.

It is solely the responsibility of each Proposer to assure that its Proposal is delivered at the specified place and prior to the deadline for submission. Proposals, which for any reason are not so delivered, will not be considered for purposes of this RFP. Proposers shall assume all risk associated with any delays in delivery of their Proposals.

3.2 RFP Addenda

The School Board reserves the right to change the Calendar of Events or revise any part of the RFP by issuing an addendum to the RFP at any time.

3.3 Proposal Rejection

Issuance of this RFP in no way constitutes a commitment by the School Board to award a Contract. The School Board reserves the right to accept or to reject, in whole or in part, all Proposals submitted and/or to cancel this RFP if it is determined to be in the best interest of the School Board.

3.4 Withdrawal and Re-Submissions of Proposal

A Proposer may withdraw a Proposal that has been submitted at any time up to the date and time that the Proposal is due. To accomplish this, a written request signed by the authorized representative of the Proposer must be submitted to the

RFP Coordinator.

3.5 Ownership of Proposal

All materials submitted in response to this RFP shall become the property of the School Board. Selection and/or rejection of a Proposal does not affect this right.

3.6 Public Record

For the purposes of this RFP, the provisions of the Louisiana Public Records Act, La. R.S. 44:1, *et seq*, are in effect. Pursuant to that Act, all proceedings, records, contracts and other public documents relating to this RFP and Proposal shall be open to public inspection. Proposers are responsible to refer to the Louisiana Public Records Act for further clarification. All information submitted shall constitute public record.

3.7 Cost of Preparing Proposals

School Board is not liable for any costs incurred by prospective Proposers prior to entering into a contract. All costs associated with developing the proposal, preparing for oral presentations (if requested), and any other costs or expenses incurred by the Proposer in responding to this RFP are entirely the responsibility of the Proposer, and shall not be reimbursed in any manner by School Board.

3.8 Errors and Omissions in Proposal

School Board will not be liable for any errors or omissions contained in the Proposals. School Board reserves the right to make corrections or amendments due to errors identified in the Proposals by School Board or the Proposer. School Board, at its option, has the right to request clarification or additional information from the Proposer(s); however, in no event shall School Board be held liable to any Proposer for any failure on its part to request additional information nor shall any failure on the part of School Board to request additional information from any Proposer constitute grounds for a protest to the award in accordance with Section 2.6 of the RFP.

3.9 Contract Award and Execution

School Board reserves the right to enter into a Contract without further discussion of the Proposal submitted based upon the initial offer received. School Board reserves the right to contract for all or a partial list of the services offered in the Proposal. School Board reserves the right to award Contracts to multiple Proposers in its sole discretion and if School Board has determined that multiple awards best serve the interests of School Board.

The RFP and the entire Proposal of the selected Proposer shall become part of any Contract.

The selected Proposer will be expected to begin contract negotiations with the School Board. If a contract cannot be successfully negotiated with the successful proposer, the School Board may reject the proposal and proceed with contract negotiations with the second lowest proposer.

3.10 Code of Ethics

Proposers are responsible for determining that there will be no conflict or violation of the Ethics Code if their company is awarded the Contract. Ethics issues are interpreted by the Louisiana Board of Ethics.

3.11 Content

The contents of the Proposal of the successful Proposer will become contractual obligations if Contract acquisition action ensues. Failure of the successful Proposer to accept these obligations in a Contract may result in cancellation of the

award, and such vendor may be removed from future solicitations.

3.12 Non-Discrimination

The Contractor agrees to abide by the requirements of the following as applicable:

Title VI and Title VII of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972, Federal Executive Order 11246, the Federal Rehabilitation Act of 1973, as amended, the Viet Nam Era Veterans Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, and Age Act of 1975, and Contractor agrees to abide by the requirements of the Americans with Disabilities Act of 1990, as amended. Contractor agrees not to discriminate in its employment practices and will render services under this Agreement, and any Contract entered into, without regard to race, color, religion, sex, sexual orientation, national origin, veteran status, political affiliation, or disabilities. Any act of discrimination committed by Contractor, or failure to comply with these statutory obligations when applicable, shall be grounds for termination of this Agreement and any Contract entered into as a result of this Agreement.

3.13 Audit of Records

School Board's auditor, the Louisiana State Legislative Auditor and any other applicable government agency or authority shall have the option to audit all accounts directly pertaining to the resulting Contract for a period of three (3) years after the project acceptance, or as required by applicable Federal or State law. Records shall be made available during normal business hours for this purpose.
