Leonine Dedication

The 2001 Central High School yearbook staff would like to dedicate the 2001 "Face The Challenge" Leonine to Mrs. Melba Wilkins. "Facing challenges" is her middle name. For years she has gotten up on a daily basis to come and teach science, biology, and anatomy! She takes time to love and care for her students as if they were her own children. All those who have had her classes would agree that her class is hard. All who have had her would also agree that none of us leave her class without learning something new that will stick with us for the rest of our lives! She shares her life with us as if we were her friends; she pours out all the knowledge within her, and she straightens us out when we stray off the path of expectations she has set for us. "Face The Challenge" -- what has she not faced? She is a role model that we all can look to. She doesn't take the glory even though many times she deserves it. She loves her students with a passion that motivates her daily to "Face The Challenge." People are drawn to her because of the love that radiates from her into their own lives. We dedicate the yearbook to Mrs. Melba Wilkins, not because she has won any great medal or saved the world, but because she is real, simple, unique, and special. Mrs. Wilkins is our model of someone who lives every day "Facing The Challenge."

The Wilkins- "SMART AND
GOOD LOOKING!!!"

What are the Special Olympics? What are they about? Why do we have them? A lot of people ask these questions. The Special Olympics provide relays and races for challenged students here at CHS. These races are held in the Spring and contain a week of hard, sweaty, breath-taking events. For five days these students go out on the CHS football field and give their all! After each event winners are declared, but in the end everyone truly is a winner. The Special Olympics are fun and allow us to show others that CHS truly has the best students!

Way to go, guys!
You make
CHS proud!

Facing the Ultimate Challenge

DECISION TIME: Seniors face their future. . .

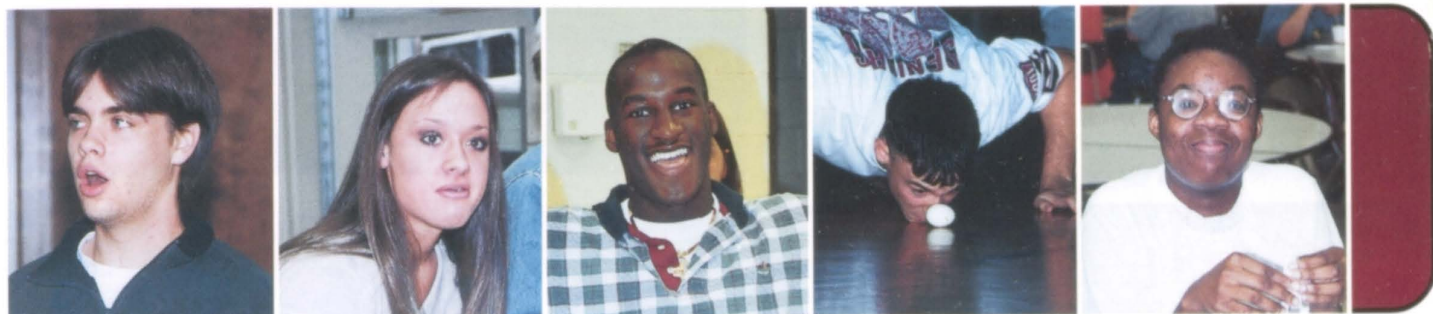

*where
will you
be?*

"When I graduate from high school , I plan to attend the State University of West Georgia here in the wonderful town of Carrollton! My ultimate goal is to become an actress!! My whole life I have wanted to be an actress, and I say, "Chase after your dreams"! If you want to be an actress be an actress. If you want to be a doctor be a doctor. If you want to be in the circus be in the circus. Go for your dreams, and never settle for less! Oh yeah, and if the whole actress thing falls through, I want to be a mechanic."

-Krista Byrd

On May 25, the Seniors of 2001 will graduate. We will say goodbye to friends but keep them dear in our hearts as we prepare to "Face the Challenge" in a new world. It's almost as if we are blind because we can't see what the future holds for us. It's exciting to go to a place we've never been, but also scary because the people we have been around our whole lives will suddenly be gone. We will all take different paths to different places. Wherever we go--college, the army, technical school, a career, or even a new country--we will always cherish the memories we've shared in the small town of Carrollton, Georgia, in a great school called Central High!

"After high school I plan to go to the State University of West Georgia and pursue a degree in early childhood education. I love kids so I know that this will be great for me!! I do hope to start a family at some point in my life, preferably in my late twenties, but who knows what will happen? Life can take some pretty crazy turns and do the unexpected!! I guess I just need to be prepared for anything!"
-Tonya Williams

*In the midst of classes,
homework and tests, the real
reason we all come to school
emerges--the FUN stuff!!
Who can forget Homecom-
ing?!*

Homecoming

Facing the Challenge of celebrating with style . . .

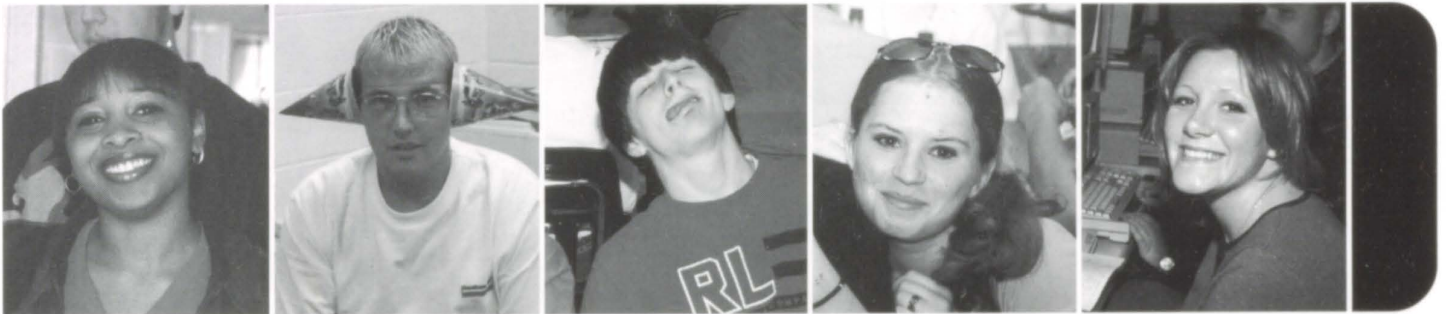

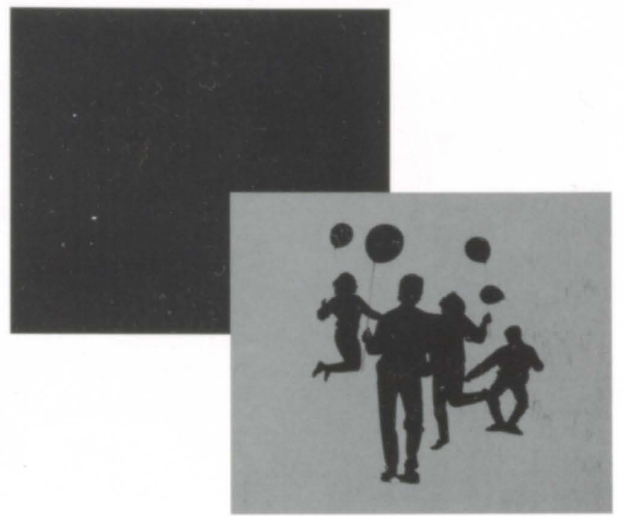

**face
the fun**

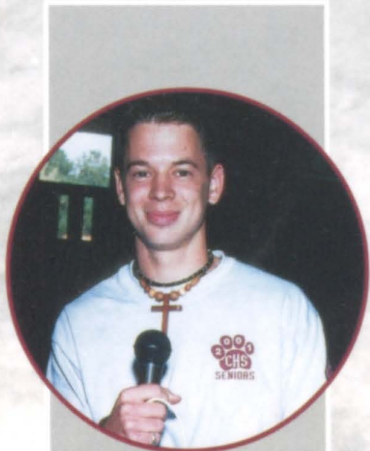

Homecoming week is the BEST! It's what everyone looks forward to when school starts and what everyone misses when it's over. The traditional dress-up days and outdoor activities are so much fun! Even our teachers join in the fun. Everyone's thinking about the big game on Friday. It's a great time for Central High students to have some good times and grow closer at the same time. It's a week of laughing, smiling, and celebrating our school spirit that we will never forget.

"This year, I've enjoyed both coaching and hanging out with all of the GREAT students and athletes. The boy's and the girl's teams finished up second in the region and also qualified for state. Not only was this a successful season, but a season to be remembered as well. I will never forget our first summer workout when I got lost in the woods. But my most memorable moments of all were playing lazer tag with the seniors in Florida for the Walt Disney World meet and getting to experience the region and state meets."

	Arguello added a lot of speed and talent to our team.		Scott is a real intense player that played with a lot of emotion. Scott always left everything on the field.
	Joel was a threat to score everytime he touched the pigskin.		Jacob is a class act; he never complained, just did what he was told. He totally understood the game.
	Garyeon was our leading receiver and made a lot of big plays for us this season. He will be hard to replace.		Homer was the best Captain that I have ever been around. Batman was the glue that kept the team together.
	Brian really came on this year and started several games at tight end. I wish I had another year to work with Brian.		Justin made more progress as a football player than any player I have ever coached.
	Michael was our work horse. He was our leading rusher and punter. He has a big heart and gives all he has every play.		I could always depend on Chet; he got the job done. He was a hard worker and always did what it took.
	Kiel bleeds maroon and grey. He played with a lot of heart and determination. He never had a penalty in H.S.		Josh is a gentleman, a scholar, and an athlete. He's the best deep snapper I've ever coached.

COACH BAILEY GIVES HIS TEAM A TALK AFTER AN AFTERNOON PRACTICE.

"Leaders are made, they are not born. They are made by hard effort, which is the price which all of us must pay to achieve any goal that is worthwhile."

-Vince Lombardi

We had a great group of young men. They got better each week even though we played a very tough schedule. I was proud of the seniors; they kept good attitudes throughout the season.

- Coach Holloway

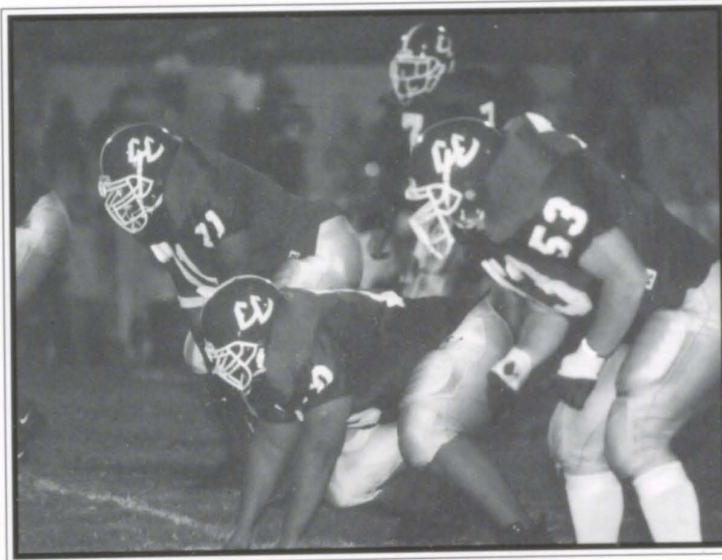

"Show class, have pride, and display character. If you do, winning will take care of itself."

- Paul "Bear" Bryant

This year's football team was one of the hardest working groups of young men I have ever coached. Their ability to deal with adversity and continue to stay focused enabled our football team to once again reach the state playoffs. Our seniors will be missed as football players; however, they will always be a part of our Central football family.

The 2000 JV Football team overcame the challenges of a new offense and the agonies of injury setbacks to destroy any doubts about their prospects for winning. Posting a 5-1-1 record and remaining undefeated against all 6-AAA teams, the boys in maroon and grey gave Lion fans a lot to hope for in seasons to come. Highlights of the season included an opening victory over the Carrollton Trojans, three shutouts by the defense, and a scoring average of 24 points per game by the offense.

"Jarrod Cook was one of our most effective players averaging 16 points and 6 rebounds per game. He was named Haralson County Invitational MVP, Central/Carrollton Holiday Classic MVP, and to top it off, Cook was named Carroll County player of the year. He will be greatly missed."

"Gargeon Boykin was a great asset to the mighty Lion squad. With his quickness and agility, he helped the Lions to a region championship. Gargeon averaged 8 points along with 6 assists per game. Boykin was named to the H.C. Inv. all tournament team, and to the all Carroll County first team."

"Arguello Henderson brought intensity to the floor game in and game out. Henderson's great athleticism allowed him to average 9 points and 6 rebounds per game. He was named to the all Carroll County second team. His shoes will be hard to fill next year."

"We finished this year with a 21-8 record. Our expectations were high and we showed it by being crowned region 6AAA champs. Not only did we finish strong, but we were also champions in both the Haralson County Invitational, and the Central/Carrollton Holiday Classic. LEBLANC

Coach LeBlanc is a man with many talents: husband, father, teacher and coach. He has a God-given ability to reach people. During his time at Central, he has treated his players like his own family and the school like his home. He has been a great influence and role model for so many during his years at Central, me being one of those. Coach will be greatly missed on the basketball court; however, he will always bleed maroon and gray. John Wooden once said, "Reputation is what you're perceived to be. Character is what you really are." Jimmy LeBlanc's reputation is his character!

Your Family, Friend, and Assistant,
Glen Harding

Jimmy LeBlanc has been a positive force in the boy's basketball program since 1994. His unselfish devotion of time and energy has earned him the respect of his players, his colleagues and the coaching community. Coach LeBlanc was dedicated to making his boys winners, on and off the court. His legacy will not soon be forgotten.

The Coaches.....

The Season

The 2000-2001 edition of Lionettes basketball had a fantastic regular season. The Lionettes overcame several major injuries to finish the season with the best school record of 24-4. They finished the regular season ranked third in the state. The girls won the Haralson County Championship, the regular season Region Championship, and finished second place in the region tournament for the State Playoffs. Now, **THAT'S** Lion Pride!

(back row L-R) Cedric Moore, Josh Collins, Benji Stevens, Clint Hale, Turner Sanders, Aaron Bivins, Andras Nemis, Charlie Whitten, Gustavo Amaral, Matt Walls (middle row L-R) Jimmy Layton, Brad Gill, Adam Hinman, Kevin Rhames, Skip Martin, Cass Vaughn (front) Brad Bagwell

(back row L-R) Jessica Burks, Kate Karapetyants, Coach Lindsay, Amy Roach, Laura Sonderman, Maggie Chewning, Jill Thurman (front row) Cristal Buchanan, Alyssa Astin, Sandy Jones, Melanie Dodrill, Melissa Stubbs, Ashley Brock, Maria Chappell, Natalie Johnson, Jennifer Johnson, Meghan Warren

Ashley Brock was a consistent leader on the field who always gave 110%.

Josh Collins was an ultimate utility player.

Wes Gordon played with heart and was a motivational leader. (captain)

Kate Karapetyants was a welcome surprise. She was a force in the backfield.

Jimmy Layton was a great leader and an unselfish player. (captain)

Justin Moten was a "muscle" player for the team.

Andras Nemes was the leading scorer and a great player.

Turner Sanders played with energy and was a field leader. (captain)

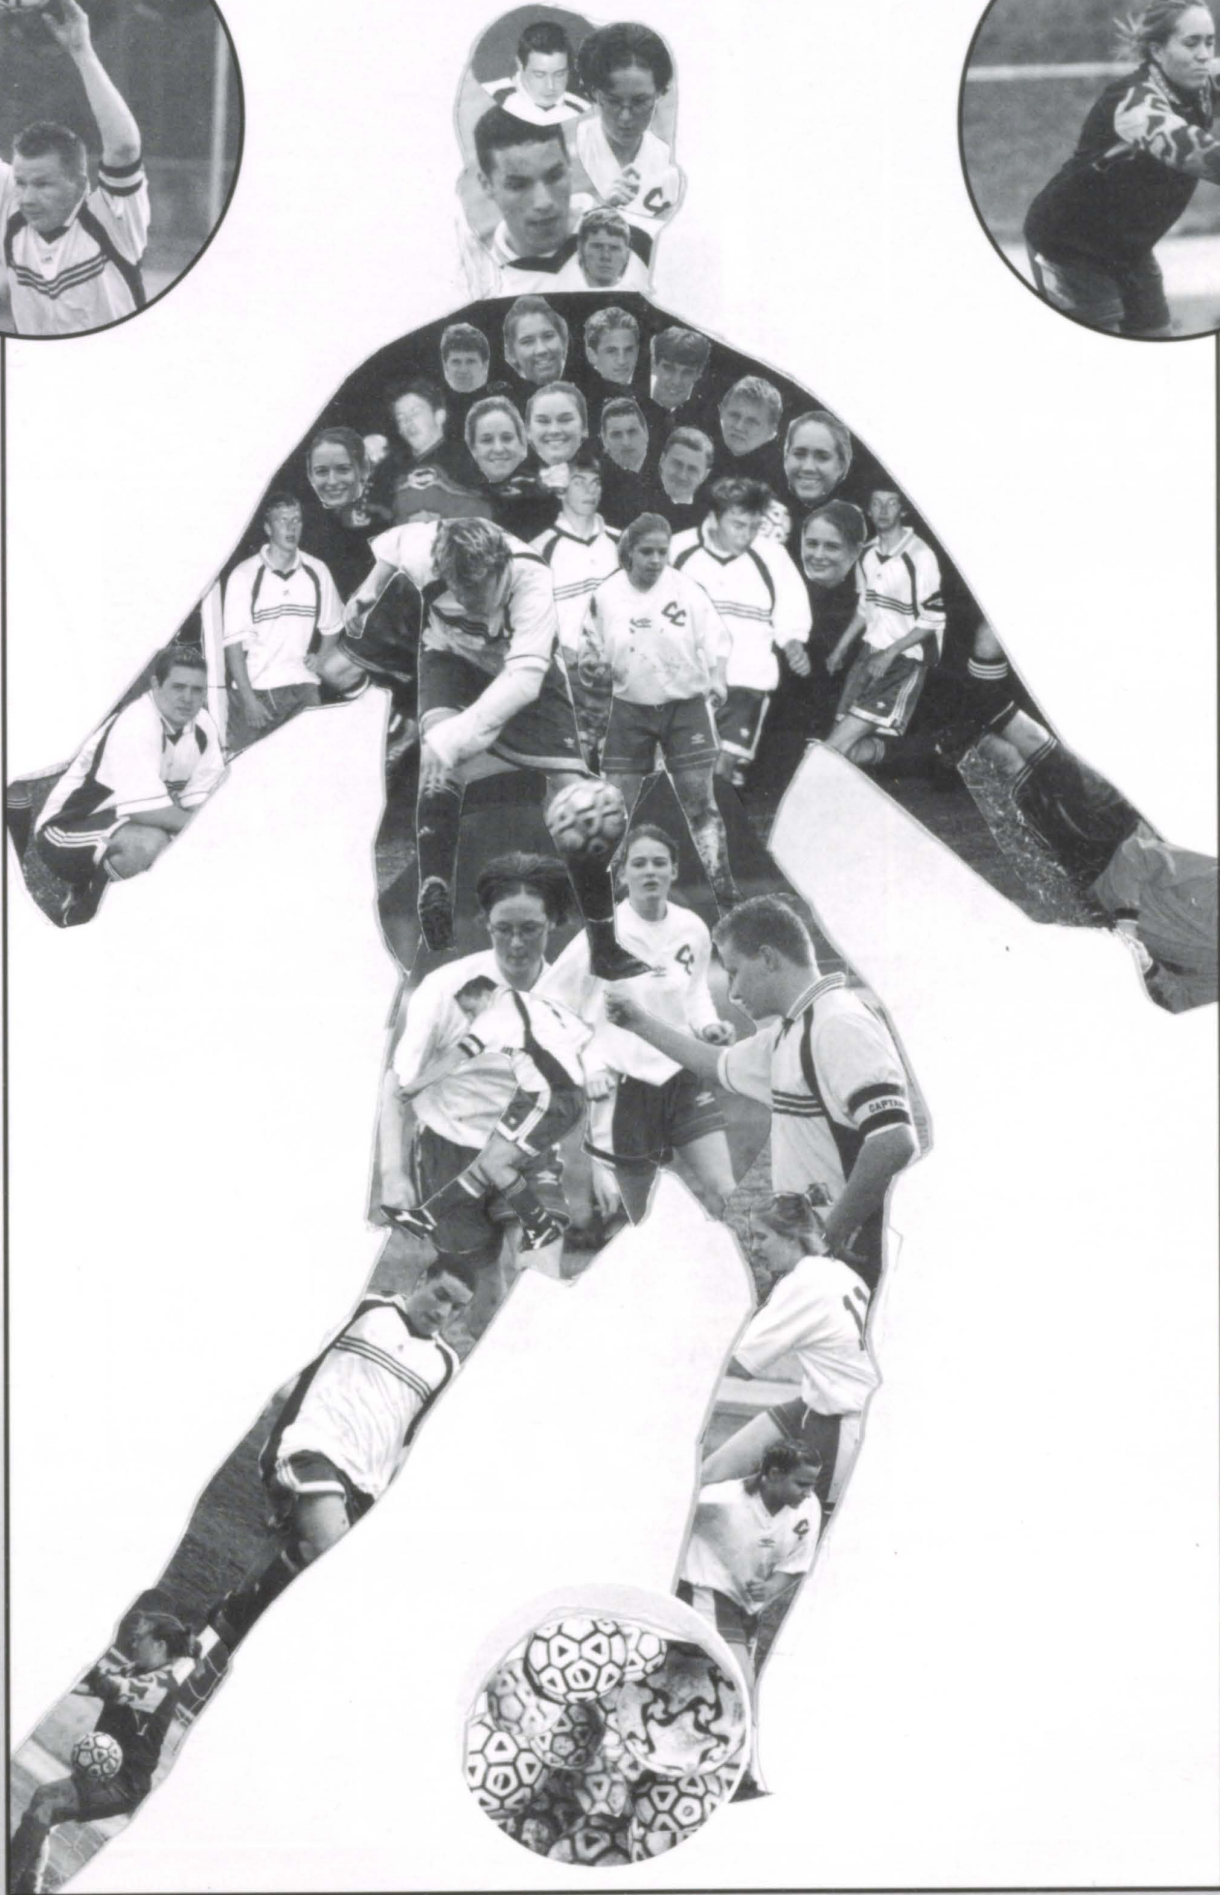

Mrs. LARBEE

"This year's season was a long one with 17 games played. We had a talented and energetic team who played well all season and came together in their final playoff game against Carrollton. I saw consistent improvement from January through the end of April, and predict a great season ahead for 2002."

Mrs. LINDSAY

The girls soccer team's inaugural season was a learning experience for all involved. We worked hard and grew together as a team. Everyone had a great time and we are looking forward to next year.

(top left) Melissa Stubbs advances the ball downfield as other members of the girls team look on.

(above) Although from two different countries, Andras and Gustavo speak the same language when it comes to soccer.

(back row L-R) Chris Barber, Nick Rushing, David Potts, John Milo, Brian Reynolds, Cedric Moore, Michael Denney, Chris Nance
(front row L-R) Haleigh Favors, Katie Chewning, Adam Carter, Carla Maner, Parham, Katie Greene

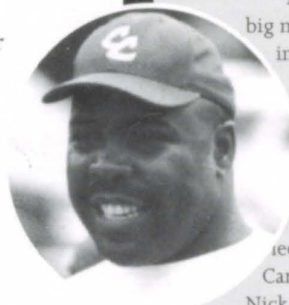

John Milo closed out a stellar career at Central. He has been an outstanding performer throughout in the shot put. John has earned a trip to state three out of four years. He placed in the top ten each year.

Haleigh Favors was a true competitor. She always gave 110%, never falling short of glory. She was harder on herself than any coach was. She will truly be missed.

Brian Reynolds steadily improved at each meet in the shot put. He peaked at region to earn his first trip to state. Brian threw over 48', his personal best in the shot in region. He went on to finish 9th over all.

"A relatively young track team competed in several big meets this year. We finished in the top ten in three invitational track meets. Two seniors lead the Lions: John Milo and Brian Reynolds. Both led by example and will be greatly missed. Several underclassmen stepped up and performed in their events. Cedric Moore leaped to his personal best in the triple jump over 42 feet. Chris Barber jumped 20'5". David Potts and Adam Carter led the Lions in the running events. Both Potts and Carter competed in the 800m, 1600m and 3200m. Nick Rushing, Chris Nance, and Michael Denney will return to the squad next year."

Mrs. Morgan

#1 Luke Byers was the centerfielder for the Lions during the 2001 season. Luke played a tremendous outfield while he jump-started the Lion offense from the lead-off spot in the batting order. The senior set a new single season mark for singles during the 2001 year.

Nasty

Jonathan was a pitcher/outfielder for the Lions. He followed a stellar 2000 season (Times-Georgian Pitcher of the Year) with an even more impressive 2001 season (Lion Big Stick Award). Stamps was solid on the mound as well where he threw 59 innings and accumulated 6 wins on the year.

Rec-Specs

#9 Chad was a second-baseman for the Lions. Chad was critical to the Lions' success. The senior shared the team lead for homers (4) during the 2001 season and had several clutch RBIs for the Lions.

Chad Fuller

Ben was an outfielder for the Lions. Ben was awarded the inaugural Andy Bryan Scholarship Award in 2001. The award is given to a senior baseball player who exemplifies the characteristics of Mr. Andy Bryan: hard-working, dedicated, and caring.

Ben-Ho

#13

#14

Jarrold was a pitcher/outfielder for the Lions. He was the Lions winningest pitcher during the 2001 season. The 6'4 righthander tallied 7 of the Lions' 17 wins. Cook has signed to further his baseball career at Southern Union College in Wadly, Alabama. Good Luck, Jarrold.

Cookey

Brandon was a designated hitter for the Lions. Two of his three varsity seasons, he hit well over .400. Brandon's sophomore season he set a school record (kept since '96) with a .488 batting average. Sheffield will probably continue his career with the Tigers of Andrew College in Cuthbert, GA.

Sheffy

#16

#22

Michael was a third-baseman for the Lions. Michael had solid sophomore and junior years in which he hit the .350 mark. The senior also received two Lion Awards during his baseball career at Central High School.

Lions win first 6-AAA title of Coach Kay's seven-year tenure

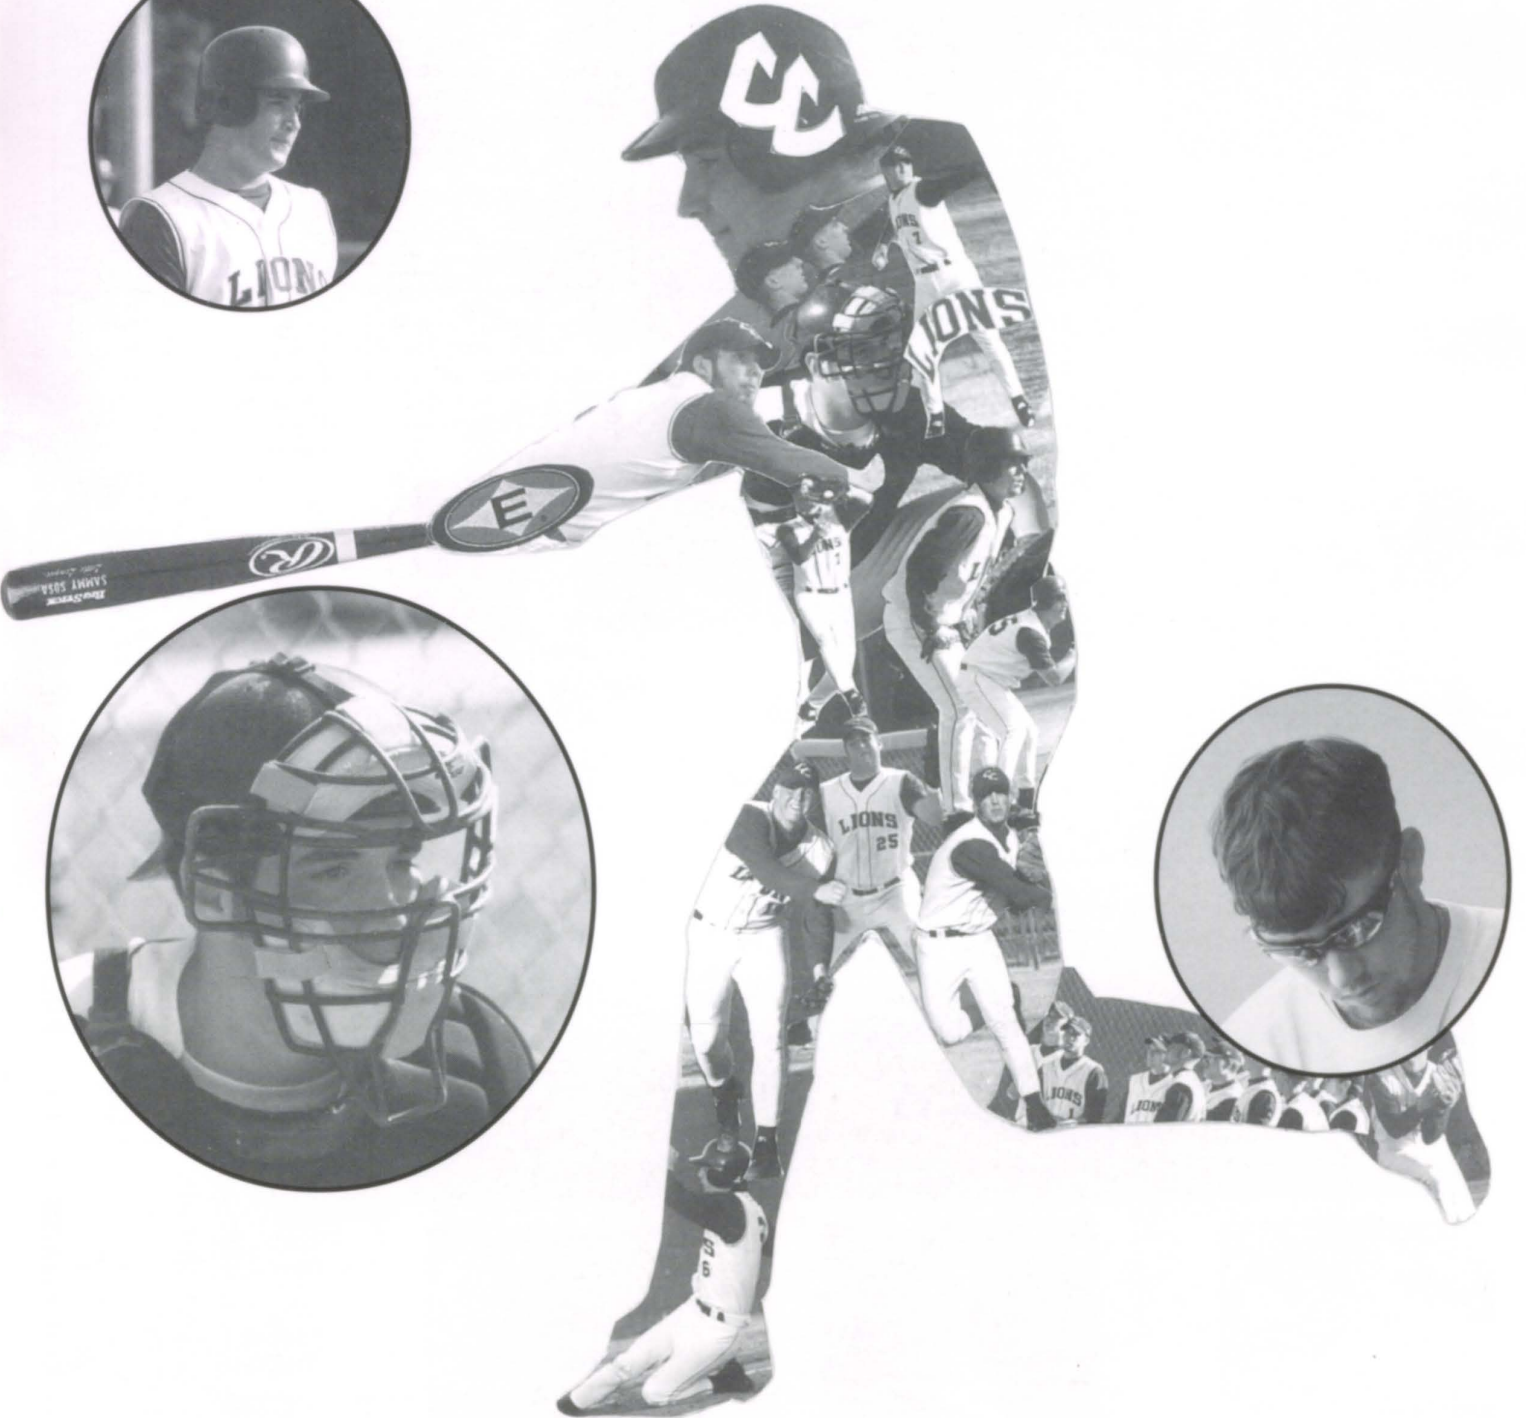

*by Rodney Kay
head baseball coach*

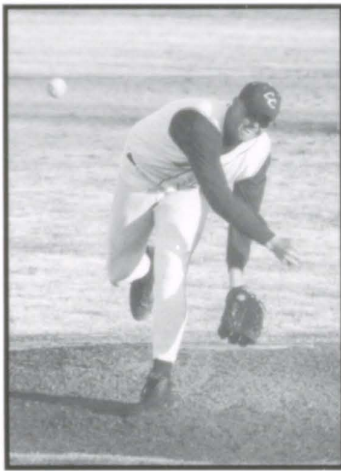

The expectations were high and the Lions, led by seven-seasoned seniors, delivered. The final record was 17-13 (tied for most wins since 1992), the Lions practically rewrote the offensive record book for team batting. The 19 homeruns shattered the previous mark of 11, the 60 doubles hit were well ahead of the previous record of 50 from 1997, and lead by the arms of Jarrod Cook and Jonathan Stamps, the Lion pitching staff entered into several top spots in the records.

The Lions won the 6-AAA title and hosted the first round of the GHSA baseball playoffs at the "Burch." Literally, hundreds of students were there to lend their support as the Lions took two out of three games from the guests Druid Hills Red Devils. With the two wins, the Lions again had the right to host

the next series at the "Burch." The Lions had advanced to the Sweet Sixteen, were playing at home, and had their pitching staff rested and well. Even with all things seeming perfect, the Lions dropped game one to guest Loganville 7-6 in a grueling 10-inning nailbiter. The 2nd game proved to be another classic. Junior Brian Treadwell locked horns with Loganville and delivered his best performance of the year, but again the Lions came up one run short. The 1-0 loss in game two brought the magical season to a close and, also ended the careers of 7 magnificent seniors. Thanks guys!

Here's What Cawanna Thinks....

As the President of three clubs at Central High School, my life can become very busy at times. All three clubs contribute different things to the student life at CHS. My responsibility as president is to work with the club sponsors to create projects for the clubs to perform. The other officers, especially the vice president, help with this process in conjunction with their tasks, including recording club activities, keeping financial records, and informing members of events.

Each of our clubs does different things to enhance life here at CHS. The Future Business Leaders of America try to have a service project for every month and fall fundraisers. We completed a can drive, and sold Zap Pizza's and Jad Acrylics. This club also sponsors a paper drive for Alice's House, visits at local nursing homes and at the soup kitchen. The Beta Club, continuing a tradition, sponsored the American Red Cross Blood Drive. The Fall Drive was a great success, we collected over 60 pints of **BLOOD!!** Lastly, the National Honor Society had a great year and served in community activities. As president of three clubs, I know that we will have a great year!!!

FBLA is a student service organization which helps students build a bridge to span the gap between the classroom and the business world. The CBE program gives students knowledge and skill for the business environment through the study of computer technology. Students learn the fundamentals of word processing, spreadsheets, databases and graphing programs. Emphasis is placed on entrepreneurship principles and small business ownership as a career alternative. Students continue to participate in on-the-job training in local businesses.

CRYSTAL SAYS....

Q: What has been your most memorable moment in Student Council?

A: My favorite Student Council memory was planning our *unforgettable* Homecoming Events!!

VOICING THOUGHTS, VIEWS, AND BELIEFS

“As President, I know the importance of being on Student Council. Student Council is a great way to be involved. During December we organized a can drive to help the needy families out on their Christmas. The classes who recieved the most cans were awarded a pizza party. We also got to choose and plan out the Homecoming activities, such as the egg toss and the amoeba race...OUCH!! I believe that this year has been and will be great thanks to our Student Council staff, Mr.DeLong and Ms.Morgan.”

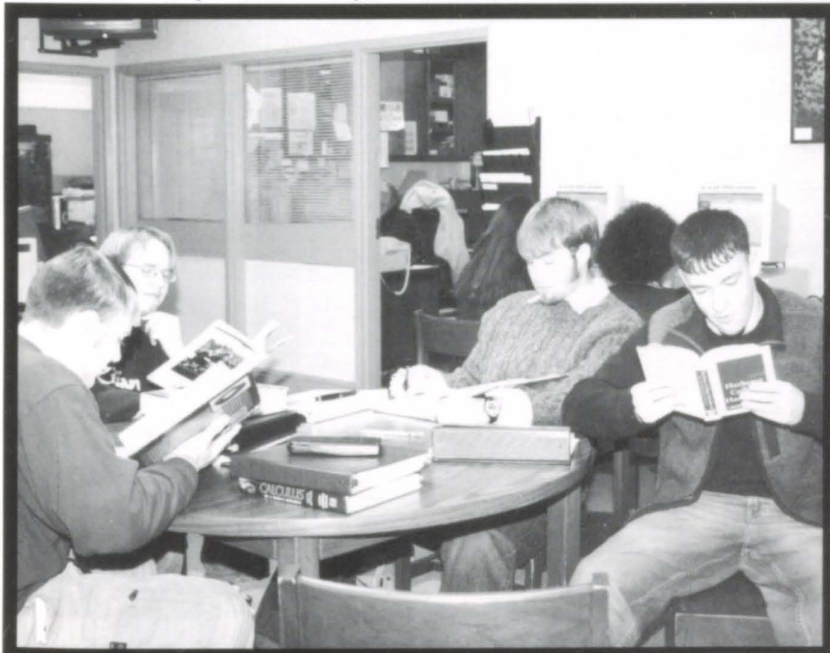

-Ashley Brock, Sr.

Matt Strange, Joel Griffin & Leslie Hight: These guys get the PARTY started!!

Kawanna says, "CHEESE" for the camera.

Johnathon & Chad say, "BOOK IT," We get free pizza!!

Mrs. Miller gives the Drama team a "pep talk" before their performance.

These 4 girls "voice" their talents.

It has been an exciting year for the Fine Arts Department. Many hours were devoted to building props and practicing plays. The Drama Club and Art Club provide Central with tons of talent. The Fine Art Club visited The High Museum of Arts as well as seeing the Elton John Photography Exhibit. The Fine Arts Department has expanded its boundaries and has great new plans for the upcoming classes. Renovations to the old gym for a Center for the Performing Arts are expect to be complete for the 2001-2002 school year.

displaying artistic talent

IT JUST TOOK A LITTLE TALENT

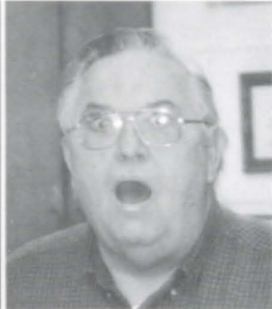

We gripe to them about our grades, we cry on their shoulders about our problems, we talk back to them when we're having a bad day ... but when all is said and done, we know that our teachers care about more than averages or lunchroom noise or seating charts or lesson plans--they care about our futures.

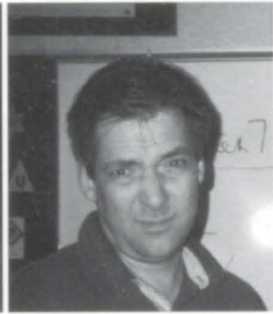

Faculty & Staff

Facing the Challenge of preparing our future . . .

**face
the test**

A challenge has been defined as something that you are accountable for. Everyday at central High School I am responsible for the education as well as the life improvement of my eleven students, as well as the others around me. What an amazing challenge I face daily, but it is truly one I choose to undertake. I realized when I decided to teach special education that it would not be an easy task but rather a new and exciting venture each day. My students, as well as others, hold me to this premise.

I have chosen to face the challenge of bettering my students, not only as citizens of society but also as members of the human race. I hope and pray each day that I may make an impact on them locally as well as globally. I try to remember that everything I do has an effect on someone's life, and thus I try to model myself after this idea. We all need to realize that we can make a change in this world, so I challenge all of you to face life remembering that every action you take creates a reaction and please live your life to this accord. We all are here to fulfill this notion, so I challenge you all to face the challenge of life.....

Prom seems to be Ms. Treadaway's specialty. No one else spends more time or puts out more effort than she. We have come to expect so much from her that sometimes we forget just how much she does. Prom would definitely not be the same without her. Our hats are off to the ultimate prom specialist!!

Senior Walk 2001

One of the highlights of Prom is the announcement of King and Queen. The other special happening is the Senior Walk. Promptly at 10 PM, all seniors line up with their escorts to be presented to all attendees, including parents who line the upper balcony to see their "pride and joy." Each Senior basks in his or her moment in the spotlight.

Think of what a better world it would be if we all had cookies and milk about three o'clock every afternoon and then lay down with our blankets for a nap. Or if we had a basic policy in our nation and other nations, always to put things bck where we found them and clean up our own messes. And it is still true, no matter how old you are, when you go out into the world, it is best to hold hands and stick together.

A Tribute to the Class of 2001

Read by Kassi Hendrix at Graduation

*If you can value all the simple joys in each new day,
 If you can see the gift in everything life brings your way,
 If you can find your strength and all your answers deep within,
 If you can trust yourself enough to let your dreams begin,
 If you can learn and grow from every challenge that you face,
 If you can know each moment is the perfect time and place,
 If you can recognize yourself in others' hopes and fears,
 If you can feel compassion for your own and others' tears,
 If you can understand your thoughts help shape the world you see
 If you can sense that you create your own reality,
 If you can comfort someone else and be a friend who cares,
 If you believe real wealth comes from the riches that one shares,
 If you can live life fully and enjoy it heart and soul,
 If you can just accept those twists and turns that you can't control,
 If you can show integrity in every choice you make,
 Then your journey will be filled with joy, whichever path you take.*

GRADUATION PRACTICE

A New Millennium

A Tribute to Seniors

It is our last year, the year we have waited for. We are SENIORS! This is the year of lasts. We danced for the last time at Prom. We watched as seniors played their last games of the season. It is the year of decisions. Many of us are faced with the choice of which college to attend, of which road to take for our futures. After twelve years of school, we are counting down the days until graduation. After graduation we will face the real world with only our memories to take with us. **WE ARE READY!**

... Putting Our Best Face Forward

Mr. & Miss CHS

Crystal Haynes

Crystal Dawn Haynes is the 18-year-old daughter of Cheryl and Truitt Haynes. As a freshman, Crystal played ninth grade and J.V. basketball. She received the J.V. Lionette Award her sophomore year. She was elected Class Secretary in her sophomore, junior and senior years. She has been an active member in Student Council, Future Business Leaders of America, Fellowship of Christian Athletes, Peer Mediation, and Fine Arts Club; she has served on the Leonine Staff for two years. In her sophomore year Crystal was nominated to participate in the Rotary Youth Leadership Award camp (RYLA) and received a leadership award. Crystal has represented her class on the Homecoming Court for three years.

After graduation, Crystal plans to attend the State University of West Georgia.

Justin Moten

Justin Rashaun Moten is the 18-year-old son of Synthia Moten. As a student of Central High School, Justin has been involved in many extra-curricular activities. He has been an active member of the Central football team since the seventh grade. Justin is a four-year letterman in football and was an emotional leader for the team. In his senior year, he received the Lion Award for his accomplishments as offensive tackle. He is currently playing his first season of varsity soccer.

Justin has been an excellent example of a hard worker and an over achiever. He recently received the Optimist Club Student of the Month Award. He presently holds a class rank of 38 out of 218 seniors. He also has maintained a 3.69 GPA throughout his high school career.

After graduation, Justin plans to attend Morehouse College.

After nights of homework, hours of tests, fun times, sad times, victories and defeats, we bid farewell to CHS. . .

Magic in the sparks... dancers in the flames.

We built our campfire
 by the lake.
 A small offering of beaver-cut wood
 to ward off the chill of early spring.
 The warm glow
 swelled into the evening
 and tiny lights followed the spirit of the fire
 into the sky.
 How many twilights have found us projecting our dreams
 into the magic of the sparks?
 How many times have our souls provided the inner music
 for the dancers in the flames?
 I watch you,
 sweet daughter,
 and think of all the children of our kind
 who huddled near a fire.
 Their tradition spans thousands of years
 to this fire and you.
 Your brothers and sisters,
 who lived in the ages ruled by ice,
 pushed sticks
 into their fires
 and they, too,
 wrote their names against the night.

Dear Daniel,

When you were little,
we were there for you
when you were sick...
held your hand to
cross the street...hugged
you when you were afraid
or hurt. But part of being a
parent is finding the strength
to let you go. Always know
we love you with all our hearts,
and will always be here for you.
Son, we are very proud of you!
God bless you and guide you.

Love, 
Mama and Daddy
