Friday

breakfast: mini donuts

lunch: calzone~tri-tator~salad~cookie~assorted fruits~milk

Menu

Tri-Township High School Esports Spring Season Is Underway! 🎮

We're excited to kick off our spring Esports season at Tri-Township! This season, students will once again compete in Tetris, Chess, and Mario Kart, while also expanding into Fortnite and iRacing for the first time.

We're also proud to debut our new gaming PC lab, which gives our students upgraded equipment, more practice opportunities, and a space built specifically for competitive play, teamwork, and skill development.

One very exciting development has been the start of our new iRacing program. This racing simulator is not just fun, but opens possibilities for our students to earn college scholarships and even opportunities with real race teams.

Good luck to Alden McCormick and Ty Sykora!

A huge thank-you goes out to our sponsors for helping make all of this possible: Game Changers in Michigan City, Dewey's Auto Supply, and Steindler Signs & Graphix. Your support continues to make a real difference for our students.

We're looking forward to an exciting and competitive spring season—go Tigers! 🐅❤️🍀
