Freshmen Orientation!

Welcome Class of 2026!!!

We will be having our Freshmen Orientation on August 9th and August 10th. Parents will sign up for a timeslot to come in and begin the orientation. The Orientation will take approximately 1 hour. During this orientation students will get a new chrome-book, meet with the 9th grade Principal, meet with the guidance counselor team, receive their schedule, and complete a self-guided tour of the high school.

Freshmen parents will receive additional details and directions on how to sign up for a timeslot the week of July 11th- be on the lookout for the email from Mrs. Luffy!

LOCKERS for 2022-2023

SASHS students will have a choice if they want a locker or not. Students at the high school wanting a locker will fill out a google form. The google form will be sent to students in early August!

Student lockers will be issued to students during our open house on August 22nd.

If students change their mind about wanting a locker, students can stop in the office after school starts to get assigned a locker!

Dear Shippensburg High School Students, Staff, Parents, Teachers, and Community,

With great enthusiasm and excitement, I am pleased to introduce myself to Shippensburg Area High School! I feel extremely grateful to begin my career as an assistant principal in the SASHS family. I look forward to working side by side with Mrs. Luffy, Mr. Norton, the staff, and this wonderful community. I appreciate how much everyone advocates for and provides students and families with an educational experience that prepares students for life after high school.

Prior to joining the Shippensburg High School team, I taught middle school mathematics in Maryland and high school mathematics in the Chambersburg School District. Additionally, I was the head girls basketball coach at Chambersburg High School. I enjoy the challenges of education, the teamwork, and the passionate people who work and support great educational practices. I am also excited to work with the many extracurricular activities that Shippensburg High School has available to their students. Research shows how important getting involved in activities can improve students' academic success. With the many clubs, career programs, sports, and community service opportunities, Shippensburg truly has all the assets and programs students need to feel included, supported, and encouraged in pursuing their goals.

On a more personal level, my fiancé and I enjoy playing golf, trying out new restaurants, and spending time with our friends and family. I have a true passion for running, exercising, reading, attending sporting events, and playing games. I have lived in Pennsylvania for about four years now, and I look forward to exploring even more of what this beautiful area has to offer.

I have such high hopes for this coming school year! Jeff Brand, another assistant principal, said something extremely well that aligns strongly with my values. Throughout the year, we will all learn new things and discover strengths and skills that we didn't know we had; that is the beauty of education. Now, more than ever, I hope to focus on the positive and what we are able to do rather than what we cannot do. "Can't" is temporary; it just means we haven't done it or figured it out yet, but you will, as long as you keep trying, don't give up, and believe in yourself.

I believe that with a positive attitude, a growth mindset, and good character anyone can achieve great things. I strive to instill those qualities in our young people and to be a positive role model as well. We are all here to learn together. It is my goal to provide a safe and nurturing educational environment that challenges our students to reach beyond their expectations to become lifelong learners who will make the world a better place.

The best ways to reach me are by calling the school at [\(717\)-530-2730 ext. 6902](tel:(717)530-2730) or sending me an email at blake.schildhauer@ship.k12.pa.us. Please feel free to contact me with anything, especially all the positive things that are happening in our community.

I am excited to get this year started and to be a part of this community. Let's have a great 2022-2023 school year at Shippensburg Area High School!

I look forward to working with you all,
Blake Schildhauer
Assistant Principal
