**PARCC Tests to Be Given**

The Illinois Assessment of Readiness (IAR) will be administered to students in grades 3, 4, 5, 6, 7, and 8 between March 28-April 8. The tests are intended to measure students' progress in meeting the State's Common Core Learning Standards. IAR results may not be available until June. We also report our general academic progress to the community, as the overall results for IAR tests are summarized on our annual State School Report Card. The district is using the NWEA-MAP Assessment and Edgenuity Assessments to guide instruction.

The IAR tests are very important to our school district. We are held accountable for the scores. The Chadwick-Milledgeville teachers and staff have worked very hard to prepare the students, but test results may still be influenced by the physical and emotional condition of the student on the days of the tests. **We ask that you please help your students get plenty of rest the nights before the testing and see that they eat a hearty breakfast on each day of the testing as well.**

Due to the fact that we are utilizing remote learning days when dangerous weather occurs, we have not had to use any of our scheduled emergency days. This means that our spring break and end of year dates are unchanged. So, if you would like to make plans to travel you can be confident in doing so.

Parents and community members please note that Milledgeville High School Graduation will be at **2:00 P.M. on Saturday, May 21, 2022** in the high school gym. We look forward to hosting a traditional in person ceremony this year. Thank you for supporting our schools during this pandemic.

Sincerely, Tim J. Schurman, Superintendent

## Donation Drive

Hello everyone! For my National Honor Society individual service project, I am organizing a book drive. All the books that are donated will be going to the Riverside Substance Abuse program located in Trinity Hospital in Rock Island.

If you have any books that you would like to donate, there is a labeled box in the alcove at the main entrance in Milledgeville High School. You can drop off new or used books there! Books must be appropriate for both adults and teenagers, so they cannot contain profanity or discuss inappropriate or illegal activities.

If you don’t have any books to donate, I can also send in cash donations!

I really hope you decide to donate! Everything will be sent to Riverside Substance Abuse program. All donations are due by April 1st. Please spread the word in any way you can so we can donate as much as possible!

Thanks, *Isabella Pena*

# TO SURVIVE

In the novel, Rescue Josh McGuire, by Ben Mikaelson, Josh fills his backpack, takes an orphaned bear cub and his dog, and runs away into the mountains to escape so many problems at home.

Following chapter 21 fourth graders were asked to make a list of 12 items, that would fit into their school backpack, that they would take if running away into the mountains on their own. Each student then went back over, made any changes after contemplating their choices, and wrote their final list. Each student read their list aloud and all others took notes and asked the reader questions. After all lists had been read, a vote was taken on who would be most likely to survive the longest with the items in their backpack.

In Mrs. Yochem’s homeroom **Trent Jordan** was voted most likely to survive and in Mrs. Pishos’ homeroom **Aden Galvan** was voted most likely to survive on his own for a while in the mountains! Congratulations!
