Principal's Note:

Attendance Matters!

When students arrive late or are picked up before dismissal, teaching and learning are disrupted!

Thank you, parents, for a great start to the 2024-2025 school year. Our teachers and staff are eager to partner with you as we help your child learn and grow. The second week in October, we will have our fall parent and teacher conferences. I encourage you to participate in person, teachers will have vital information to share with you about beginning of year assessments and your child's progress so far. As always, we are so fortunate and privileged to serve your child (ren). Thank you for your continued support and we look forward to all the ways we will partner together this school year!
