

Addendum #1
RFP Athletic Apparel & Equipment RFP

Q: The team backpacks, bags, hats, etc., do you want those with school logos or are you just looking for general items?

A: **They would have the logo (ALMS). For SHS, they usually have a logo on it with their sport underneath it.**

Q: Is a local representative required to be awarded the bid?

A: **No, but the in-person presence could still be required on an as-needed basis.**

Q: Would the account representative be required to be on-call?

A: **No, there's no request to be on site within 30 minutes to an hour or anything like that. With virtual call options, we could go that route instead if timing required an immediate need.**
