RESOLUTION ON SUFFICIENCY OF INSTRUCTIONAL MATERIALS

Whereas, the Governing Board of the *(name of school district)*, in accordance with the requirements of Education Code 60119, held a public hearing on *(date)*, at *(time)*, which is on or before the eighth week of school (between the first day that students attend school and the end of the eighth week from that day) and which did not take place during or immediately following school hours, and;

Whereas, the Board provided at least 10 days notice of the public hearing by posting it in at least three public places within the district stating the time, place, and purpose of the hearing, and;

Whereas, the Board encouraged participation by parents/guardians, teachers, members of the community, and bargaining unit leaders in the public hearing, and;

Whereas, information provided at the public hearing detailed the extent to which sufficient textbooks or other instructional materials were provided to all students, including English learners, in the *(name of school district)*, and;

Whereas, the definition of sufficient textbooks or instructional materials means that each student, including each English learner, has standards-aligned textbooks and/or instructional materials to use in class and to take home, which may include materials in a digital format as long as each student, at a minimum, has and can access the same materials in the class and at home as other students in the same class or course in the district, but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, and;

Whereas, textbooks or instructional materials in core curriculum subjects should be aligned with state academic content standards and/or the Common Core State Standards adopted by the State Board of Education.

Finding of Sufficient Textbooks or Instructional Materials

Therefore, be it resolved, for the *(year)* school year, the *(name of school district)*, sufficient standards-aligned textbooks or other instructional materials that are consistent with the cycles and content of the curriculum frameworks were provided to each student, including each English learner, at the following schools in the following subjects:

- Mathematics: (List adopted textbooks or instructional materials for this subject for each school as well as applicable state adoption cycle.)
(Redacted area)
- Science: (List adopted textbooks or instructional materials for this subject for each school as well as applicable state adoption cycle.)

- History-social science: (List adopted textbooks or instructional materials for this subject for each school as well as applicable state adoption cycle.)

- English language arts, including the English language development component of an adopted program: (List adopted textbooks or instructional materials for this subject for each school as well as applicable state adoption cycle.)

- World language: (List adopted textbooks or instructional materials for this subject for each school as well as applicable state adoption cycle.)

- Health: (List adopted textbooks or instructional materials for this subject for each school as well as applicable state adoption cycle.)

Finding of Insufficient Textbooks or Instructional Materials in One or More Subjects

Be it further resolved, for the *(year)* school year, the *(name of school district)*, insufficient standards-aligned textbooks or other instructional materials were provided to students at the following schools in the following subjects:

- Mathematics: (For each school, list the percentage of students who lack sufficient standards-aligned textbooks or instructional materials and the reasons that each student does not have sufficient instructional materials.)

- Science: (For each school, list the percentage of students who lack sufficient standards-aligned textbooks or instructional materials and the reasons that each student does not have sufficient instructional materials.)

- History-social science: (For each school, list the percentage of students who lack sufficient standards-aligned textbooks or instructional materials and the reasons that each student does not have sufficient instructional materials.)

- English language arts, including the English language development component of an adopted program: (For each school, list the percentage of students who lack sufficient standards-aligned textbooks or instructional materials and the reasons that each student does not have sufficient instructional materials.)

- World language: (For each school, list the percentage of students who lack sufficient standards-aligned textbooks or instructional materials and the reasons that each student does not have sufficient instructional materials.)

- Health: (For each school, list the percentage of students who lack sufficient standards-aligned textbooks or instructional materials and the reasons that each student does not have sufficient instructional materials.)

Be it further resolved, that the following actions will be taken to ensure that all students have sufficient standards-aligned textbooks or other instructional materials in all subjects that are consistent with the cycles and content of the curriculum frameworks within two months of the beginning of the school year in which this determination is made. (List actions to be taken to resolve insufficiency.)

Finding of Available Science Laboratory Equipment for Grades 9-12

Be it further resolved, laboratory science equipment was available or was not available for science laboratory courses offered in grades 9-12, inclusive, as indicated below:

- Available: (List all science laboratory courses offered in grades 9-12 for which science laboratory equipment was available.)

- Not Available: (List all science laboratory courses offered in grades 9-12 for which science laboratory equipment was not available.)

Be it further resolved, that the Superintendent or designee, on behalf of the Board, shall submit a copy of this resolution to the County Superintendent of Schools within three business days of the hearing.
