

Art 6 and 7 with Kosick

Art 6 and 8 with Elbers

Items you will need for class:

- Folder to keep papers in
- Pencils and good eraser

****If you are able to donate high use items, such as Kleenex, Freezer Paper, 2 Gallon ziplock bags and Clorox wipes, it is greatly appreciated!**

Optional supplies:

All necessary supplies are provided for the class, but some students like to have some of their own to use at home or to use in class so they don't have to share supplies.

Below are suggestions of supplies that we will be using during the semester that are good to have.

Colored Pencils

We use Prismacolor Premier brand colored pencils. Prismacolor Scholar is ok too.

Amazon is a great place to get Prismacolor at a good price for larger packs. Michaels also has 40% off coupons you can use.

Shading Pencils

We have General's "Kimberley" shading pencils in class, but if you can, Mars Staedler Lumograph are the best - (Michaels and Staples both carry them)

Good to have a variety of lead types. Packs that have an H and some B pencils are good.

Recommended are: 2H or H, HB, B or 2B, 4B or 5B
